St Benedict For The Laity:

St. Benedict for the Laity Eric Dean, 1989 For some thirty years Eric Dean as a layman husband parent Presbyterian minister Lafollette Professor of Humanities at Wabash College and as an ecumenical oblate of a Benedictine abbey has reflected on and put into practice the Rule of St Benedict In Saint Benedict for the Laity he comments on how the Rule has important things to say even to those of us who because we are already committed to lives in the secular sphere can never think of a monastic vocation The rule can speak to us of values which even apart from the daily structures of monastic life are relevant to our own lives in the outside world *The Rule of St. Benedict* Eric Dean, Saint Meinrad Archabbey, Saint Meinrad (Ind.), 1983

An Analysis of St. Benedict's The Rule of St. Benedict Benjamin Laird, 2017-07-05 The Rule of St Benedict written around 1500 years ago by the Italian monk St Benedict of Nursia is a slim handbook for monastic life a subject many modern readers would regard as relatively niche It is however also a model of the organized and clearly expressed thought produced by good reasoning skills a mainstay of critical thinking Reasoning is all about making a good case for something through logical arguments neatly and systematically organised In Benedict's case his main concern was to lay out a set of rules and practices that would allow monasteries to run as well organised communities Communal living presented huge challenges and yet it was also Benedict believed the best way for monks to sustain themselves their religion and the learning and teaching that went with it His Rule laid out concise but detailed chapters on the best way to achieve this including provisions for all areas of personal and communal discipline right down to how tasks might be allotted to individual monks Providing a complete roadmap for successfully running a community the concise brilliance of The Rule has even been suggested by some business professors as useful model for running small businesses today *Saint Benedict's Rule* Saint Benedict (Abbot of Monte Cassino.), Patrick Barry, 1997
