St Gregory Of Nazianzus Select Orations:

Select Orations Saint Gregory (of Nazianzus), 2003 Exemplifying the perfect synthesis of classical and Christian paideia these homilies will be required reading for anyone interested in late antiquity The introduction and notes accompanying the translation will assist both the specialist and the general reader as they seek to navigate the complex environment in which Gregory lived and worked **BOOK JACKET** **SELECT ORATIONS** St Gregory of Nazianzus, 2004-01-01 This translation makes available nineteen orations by the fourth century Cappadocian father Gregory of Nazianzus Most are appearing here in English for the first time These homilies span all the phases of Gregory's ecclesiastical career beginning with his service as a parish priest assisting his father the elder Gregory in his hometown of Nazianzus in the early 360s to his stormy tenure as bishop of Constantinople from 379 to 381 to his subsequent return to Nazianzus and role as interim caretaker of his home church 382-83 Composed in a variety of rhetorical formats such as the *lalia* and *encomium* the sermons treat topics that range from the purely theological to the deeply personal Up until now Gregory has been known primarily for his contributions as a theologian indifferent to the social and political concerns that consumed his friend Basil This view will change It has been due in large measure to the interests and prejudices of the nineteenth century editors who excluded the sermons translated here from the *Select Library of Nicene and Post Nicene Fathers of the Church* This new translation will help the English speaking reader appreciate just how deeply Gregory was engaged in the social and political issues of his day Exemplifying the perfect synthesis of classical and Christian paideia these homilies will be required reading for anyone interested in late antiquity The introduction and notes accompanying the translation will assist both the specialist and the general reader as they seek to navigate the complex environment in which Gregory lived and worked **Select Orations of Saint Gregory Nazianzen** Saint Gregory Nazianzen, Aeterna Press, I have been defeated and own my defeat I subjected myself to the Lord and prayed unto Him Let the most blessed David supply my exordium or rather let Him Who spoke in David and even now yet speaks through him For indeed the very best order of beginning every speech and action is to begin from God and to end in God As to the cause either of my original revolt and cowardice in which I got me away far off and remained away from you for a time which perhaps seemed long to those who missed me or of the present gentleness and change of mind in which I have given myself up again to you men may think and speak in different ways according to the hatred or love they bear me on the one side refusing to acquit me of the charges alleged on the other giving me a hearty welcome *The Trinity* Roger E. Olson, Christopher Alan Hall, 2002 The premier volume in an exciting new series of guides to the core beliefs of the Christian faith The Trinity provides beginning theology readers with a basic knowledge of the doctrine of God's triune nature Concise nontechnical and up to date the book offers a detailed historical and theological description of the doctrine of the Trinity tracing its development from the first days of Christianity through the medieval and Reformation eras and into the modern age Special attention is given to early church controversies and church fathers who helped carve out the doctrine of

the triune God as well as to its twentieth century renaissance The second half of the book contains a detailed annotated bibliography of all major books written about the Trinity

Christ in the Life and Teaching of Gregory of Nazianzus Andrew P. Hofer, 2013-08-29 Christ in the Life and Teaching of Gregory of Nazianzus is the first full length book devoted to an overview of the Christology of this fourth century Father of the Church Andrew Hofer examines the breadth of Gregory's corpus orations letters and poems often neglected in doctrinal studies to argue that Gregory's writing on Christ can be best understood in tandem with his autobiography This study begins with an articulation of Gregory's theology of the Word in which words come from the Word who became incarnate Hofer then offers a close reading of how Gregory writes to or about Christ in the poetry known as on himself Within a three part study of autobiographical Christology Hofer explores the philosophical background of Gregory's rhetoric for what he calls the mixtures of Christ and himself He then elucidates this autobiographical concern in Gregory's famous Ep 101 a landmark text in the Christological controversies Thirdly Hofer considers how Gregory celebrates the mysteries of Christ in the festal orations Before the book's epilogue a chapter describes how Gregory wrote of Christ for his pastoral ministry Throughout the work Hofer demonstrates the importance in Gregory's writings of the language of blending such as in the Greek word *krasis* rejected by the Council of Chalcedon to describe the Incarnation This book thus offers a unique perspective on the one known as the Theologian in Chalcedon's acts and in subsequent Christian tradition

Praying the Language of Enmity in the Psalter Aran J. E. Persaud, 2016-07-22 How is it possible to hold a New Testament ethic to love one's enemies and pray for their physical infliction shame death and suffering of family members And yet the Psalter the prayer book of the Church contains such prayers In modern times the Church has adopted a semi Marcionite attitude towards these troubling texts excluding whole psalms or parts from liturgies and private use But as the age of terror dawns upon us we are finding that these texts speak of unchanging realities that perhaps the ancients were abler to understand than moderns Two great wars and a multitude of ideologies proved in the last century that the intellect cannot prevent these irrational impulses of destruction and post modern societies of the present century with their multitude of voices really offer no voice to counter moral evil This study of six psalms with graphic language of enmity seeks to help the reader overcome shallow views of the mystery of evil cultural blinkers of the use of language and even personal prejudices It attempts to recover the complete prayer book of the Church as it once was Israel's prayer book

The Oxford Classical Dictionary Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English

Patristic Spirituality, 2022-09-19 How does one grow holy in such times This question drove the early Christian imagination no less than it does today Patristic Spirituality Classical Perspectives on Ascent to the Divine features numerous studies offering an itinerary for early Christian believers wishing to enter into the divine presence

Readers will discover an array of perennial early Christian wisdom into the practical challenges of ascent a work of God in Christ transforming and incorporating us says Lewis Ayres See how early Christians cultivated the life of grace with hospitality silence almsgiving and other ascetic practices for human elevation into mystical union with God Contributors are Benjamin D Wayman John S Bergsma and Luke Iyengar Hans Boersma Stanley E Porter Gregory Vall Don W Springer Bogdan G Bucur Amy Brown Hughes Sean Argondizza Moberg Stephen M Hildebrand Brian Matz Anna Silvas Ann Conway Jones Sandy L Haney Despina D Prassas Gerald Boersma Brian E Daley Andrew Louth Jonathan L Zecher Kevin M Clarke Lewis Ayres

Literature and Society in the Fourth Century AD Lieve Van Hoof, Peter Van Nuffelen, 2014-10-23 Late Antiquity is often assumed to have witnessed the demise of literature as a social force and its retreat into the school and the private reading room whereas the sophists of the Second Sophistic were influential social players their late antique counterparts are thought to have been overshadowed by bishops Literature and Society in the Fourth Century AD argues that this presumed difference should be attributed less to a fundamental change in the role of literature than to different scholarly methodologies with which Greek and Latin texts from the second and the fourth century are being studied Focusing on performance the literary construction of reality and self presentation this volume highlights how literature continued to play an important role in fourth century elite society

Found Theology Ben Quash, 2014-02-20 How can theology respond to changing historical circumstances imaginatively and creatively This book seeks to answer this question
