Deacon Albert Graham

St Francis Of Paola Gods Miracle Worker Supreme:

Saint Francis of Paola Gino J. Simi, Mario M. Segreti, 1977 He cured the sick raised the dead prophesied the future walked on water was a major influence on seven Popes and five kings founded an order of hermits that eventually established nearly 500 monasteries and was canonized just twelve years after his death at the age of ninety one yet in the English speaking world hardly anyone has heard of St Francis of Paola To rectify this situation the authors have collaborated to write the first work ever to appear in English on the incredible life of San Francesco di Paola **The Encyclopedia of Saints**

Rosemary Guiley, 2001 The Encyclopedia of Saints offers thorough and fascinating accounts of familiar and little known holy men and women of the Catholic and Orthodox churches Drawing from documented accounts and supplemented with additional extensive research **Mystics and Miracles** Bert Ghezzi, 2010-06 **Jesus and Mary were Kosher**

Vegetarians, the Evidence from the Bible, the Early Church and Nutrition James C. Tibbetts, 2015-05-29 This book is perhaps the most complete scholarly book out today showing that Jesus and Mary were kosher vegetarians The evidence from the scriptures the early Church period the Jewish literature the mystics and nutrition indicates that Jesus and Mary were kosher and also that they were vegetarian This book proposes that Jesus and Mary were the new Adam and Eve who ate a plant based diet They were the first penitents of the Christian era leading us into a penitential lifestyle a lifestyle of purification involving a kosher plant based diet and fasting There is evidence from multiple sources that people in the early Church believed that Jesus and Mary and some of the disciples were vegetarians The monastics have carried on the plant based practice for centuries *Revelation, Mystical Phenomena and Divine Promises* Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God 100th Anniversary St. Francis of Paola Church, Ford City Pennsylvania, 1900-2000 Lawrence L.

Hoppe, 2001 **Jesus and Mary's Plant-based Diet Impacting Climate Change** James C. Tibbetts, 2015-11-03 Global warming or Climate Change is the biggest problem human civilization has ever faced There are three main divisions in Climate change Industrial pollution Car pollution and Animal pollution People are choosing to eat 70 billion animals every year which is at least 30%% of the problem One study states all the factors add up to 51%% of the problem with animals for

food The obvious solution is a plant based diet Jesus and Mary were kosher vegetarians The biblical historical and scientific evidence is summarized showing that they were vegetarians They are models to follow since major change is needed in the area of food people eat which affects climate change *The Stigmata: Those Who Bore the Wounds of Christ* Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from *The Stigmata* The *Stigmata* examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The *Stigmata* is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The *Stigmata* discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The *Stigmata* discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God *Starving into Remission: Alzheimer's, Parkinson's and Multiple Sclerosis Nutritional Integrative Therapies* James C. Tibbetts, 2016-11-13 Alzheimer s Parkinson s and MS can be brought into permanent remission on a Living Foods nutritional therapy approach As a nutritional lifestyle these diseases can be stopped and kept at a distance once they are put into remission through this Live food nutrition therapy This book presents real people some cured and some not it is about clinical experience journal studies testimonials and advanced nutritional understandings This work is about five years of research It involves a major lifestyle change moving into a Live Food or raw vegan diet and doing juice fasting smoothies and juicing Having a positive spiritual approach and exercise routine is also helpful The case studies and testimonials are part of the evidence that these neuro degenerative diseases can be put into complete remission **Mysteries, Marvels and Miracles** Joan Carroll Cruz, 1997-02 Blessed be God in His angels and in His saints Includes hundreds of true stories of miraculous phenomena in the lives of the Saints bilocation levitation multiplication of food etc Fascinating hard to put down and helpful to strengthen one s faith This world CANNOT be all there is and this book helps to make that truth more REAL to each one of us An excellent gift book suitable for all ages
