John Chrysostom on Divine Pedagogy David Rylaarsdam, 2014-10-30 Contrary to the portrayals of Chrysostom as a theologically impaired moralizing

sophist this book argues that his thinking is remarkably coherent when it is understood on his own terms and within his culture Chrysostom depicts God as a teacher of philosophy who adaptably guides people toward salvation Since the theme of divine adaptability influences every major area of Chrysostom's thought tracing this concept provides a thorough introduction to his theology It also explains at least in part several striking features of his homilies including his supposed inconsistencies his harsh rhetoric and apparent political naiveté his intentionally abridged and exoteric theological discussions and his lack of allegiance to an Antiochene school In addition to illuminating such topics the concept of adaptability stands at one of the busiest intersections of Late Antique culture for it is an important idea found in rhetoric and discussions about the best methods of teaching philosophy Consequently adaptability is an ingredient in the classical project of paideia and Chrysostom is a Christian philosopher who seeks to transform this powerful tradition of formation He gives his Christianized paideia a theological foundation by adapting and seamlessly integrating traditional pedagogical methods into his reading and communication of Scripture David Rylaarsdam provides an in depth case study of one prominent leader's attempt to transform culture by forming a coherent theological discourse that was adapted to the level of the masses

Les martyrs Maccabées: de l'histoire juive au culte chrétien Raphaëlle Ziadé, 2006-12-01 The Maccabean Martyrs Jewish heroes from the era of the persecution of Antiochus IV Epiphanes were incorporated into the IVth century Christian martyrology Two Church Fathers Gregory Nazianzen and John Chrysostom wrote panegyrics in their honour which are studied and translated in this book The first part shows how since the beginning the Church referred to these martyrs as biblical examples known through 2 and 4 Maccabees The second part describes through the eulogies of Gregory and John the circumstances surrounding the creation of the Christian Feast The third part analyzes the preaching built around the story of the Maccabean martyrs where following the 4 M model Eleazar the seven brothers and their mother are established as examples of virtue and asceticism for the edification of all Christians The book investigates an original aspect of the cult of martyrs the christianisation of Jewish martyrs killed defending the Law and sheds light on the sometimes contradictory preaching choices of Gregory and John to respond to the Jewish roots of this cult

Les martyrs Maccabées les héros juifs de la persécution d'Antiochus IV Epiphane furent intégrés dans le martyrologe chrétien au IV^{si}cle la même époque en Orient deux Pères de l'Eglise Grégoire de Nazianze et Jean Chrysostome ont prononcé des discours panégyriques en leur honneur traduits dans ce livre La première partie montre comment depuis l'origine l'Eglise citait comme exemples bibliques ces martyrs connus par le Deuxième et le Quatrième livre des Maccabées La deuxième partie décrit au travers des panégyriques de Grégoire et de Jean les circonstances qui ont marqué l'instauration de la fête chrétienne dédiée à ces martyrs La troisième partie analyse la prédication adressée aux fidèles à partir de l'épisode maccabéen Eléazar les sept frères et leur Mère devenant sur le modèle de 4 M des exemples de vertus et d'ascèse proposés à l'imitation de tous Le livre explore ainsi un aspect original du culte des martyrs la christianisation de martyrs juifs morts pour la défense de la Loi et met en lumière les choix de prédication parfois opposés de Grégoire et de Jean face à

enracinement juif de ce culte **Politics in the Pulpit** Eric Ayala, 2023-05-16 Our nation is becoming ever more politicized Everything from the environment to human gender have become political issues While the old sentiment of not preaching politics from the pulpit may have once been good advice it is increasingly more difficult not to The problem preachers have is knowing how to wade through political issues without becoming a political pundit A preacher can end up either merely repeating party talking points or retreating into avoiding biblical topics to avoid dealing with political hot button issues Thankfully our age is not the only one to have ever suffered political crises and we can learn from the preachers of the past One such preacher was John Chrysostom He was not just a preacher but also a man steeped in a sensitive political climate Through the work of a dedicated sermon series Chrysostom was able to calm tensions in a city who had rioted and destroyed statues of the emperor These Homilies on the Statues proved to be a pivotal and powerful example of political preaching By examining the homiletical methods of John Chrysostom's Homilies on the Statues we can learn how to responsibly and powerfully engaging political topics in our own day
