

A sepia-toned photograph of a river scene. In the background, a stone bridge with multiple arches spans the river. The riverbank is lined with trees and vegetation. In the foreground, two people are standing in the shallow water. On the left, a person wearing a light-colored, long-sleeved dress or uniform is standing. On the right, another person, wearing a dark top and light-colored pants, is bent over, possibly washing or tending to something in the water. The overall scene is peaceful and historical.
