Ancient Legends of Ireland Lady Jane Francesca Agnes Wilde,2020-10-23 This beautiful keepsake edition of Ancient Legends of Ireland is lavishly illustrated with 22 period illustrations While Lady Jane Francesca Agnes Wilde is probably best known for being Oscar Wilde s mother she was a formidable writer in her own right The people of Ireland owe Lady Wild a great debt for collecting and persevering folk lore that might otherwise have been lost to them The present work deals with the mythology or the fantastic creed of the Irish respecting the invisible world and their strange and mystical superstitions brought thousands of years ago from their Aryan home but which still even in the present time affect all the modes of thinking and acting in the daily life of the people Told with power as well as with simplicity a very interesting and readable collection of folk lore Graphic Lady Wilde s book is delightful Amongst those best acquainted with Irish folk lore legends and mysteries we believe few will be found capable of adding many words to pages which could only have been filled by an Irish woman lovingly treating such a subject Vanity Fair Saint Patrick Retold Roy Flechner,2021-03-02 Saint Patrick Retold draws on recent research to offer a fresh assessment of Patrick s travails and achievements This is the first biography in nearly fifty years to explore Patrick s career against the background of historical events in late antique Britain and Ireland

St. Patrick; His Life and Teaching Ebenezer Josiah Newell,1907 **Celtic Legends & Myths** T. W. Rolleston,2023-12-28 In Celtic Legends Myths T W Rolleston explores the rich tapestry of Celtic folklore weaving together tales that are both timeless and reflective of the cultural ethos of the Celts The text is marked by Rolleston s lyrical prose and reverence for the oral traditions that shaped these stories offering readers an engaging narrative interspersed with insights into the spiritual and societal beliefs of ancient Celtic peoples Through meticulous research Rolleston captures the essence of a world where the boundaries between the physical and supernatural realms are blurred bringing forth myths of deities heroes and otherworldly creatures thereby situating these narratives within a broader literary and historical context that emphasizes their significance in Celtic identity and tradition T W Rolleston was an Irish writer deeply influenced by the resurgence of interest in Celtic culture during the late 19th and early 20th centuries His educational background in literature and history coupled with his own Irish heritage imbued him with a profound appreciation for the stories of his ancestors This personal connection combined with the cultural revival of Celtic history and mythology during his lifetime inspired him to document and preserve these captivating tales for future generations ensuring that the wisdom and wonder of Celtic mythology would

not be lost For readers intrigued by folklore mythology or the complexities of cultural identity Celtic Legends Myths is a captivating read that promises both enlightenment and enjoyment Rolleston s masterful storytelling invites readers to immerse themselves in a world of enchantment and wisdom making this collection a vital addition to both academic and casual explorations of mythology Whether you are seeking insights into ancient beliefs or simply wish to revel in the beauty of storytelling Rolleston s work offers an invaluable resource that resonates with the heart of Celtic tradition
