Stag Boy:

Stag Boy William Rayner, 1972-01-01 When Jim finds an ancient antlered helmet in a burial mound he is unaware of the power of the stag spirit and only the love of Mary is able to release him from inevitable death

Bone Jack Sara Crowe, 2017-02-07 A haunting story of magic and myth of one boy caught between worlds and of the lengths he will travel to save those he loves Dark magical and mysterious Bone Jack captured me and carried me away Rebecca Stead Newbery Medal winning author of *When You Reach Me* and *Goodbye Stranger* Times have been tough for Ash lately and all he wants is for everything to go back to the way it used to be Back before drought ruined the land and disease killed off the livestock Before Ash's father went off to war and returned carrying psychological scars Before his best friend Mark started acting strangely As Ash trains for his town's annual Stag Chase a race rooted in violent ancient lore he's certain that if he can win and make his father proud life will return to normal But the line between reality and illusion is rapidly blurring and the past has a way of threatening the present When a run in the mountains brings Ash face to face with Bone Jack a figure that guards the boundary between the living world and the dead everything changes once more As dark energies take root and the world as he knows it is upended it's up to Ash to restore things to their proper order and literally run for his life Praise for Bone Jack A 2015 Carnegie Medal nominee A 2015 Branford Boase Award nominee Though this might seem like just another ghost story there's subtle depth here too and teen fans of both horror and literary fiction will find lots to like Booklist Crowe is a masterly storyteller whose lyrical prose will enthrall young readers A page turning and atmospheric offering for middle graders who crave dark fantasy School Library Journal Crowe is particularly effective in evoking the sensory elements of the natural world reminiscent of David Almond's work in its sensuality and mysticism Horn Book British author Crowe crafts a tense atmospheric tale steeped in folklore where the setting itself comes alive It's a quick but memorable read and a fascinating take on the power of belief and healing Publishers Weekly The action scenes around the chase itself are gripping with lots of high drama and no guaranteed happy outcome What's even more memorable however is the lingering feeling of loss that shapes so many lives in this British import plenty of real life monsters like war depression and isolation haunt people as much as ghostly hound boys BCCB Powerful and beguiling Telegraph A lovely eerie adventure balancing the ancient magic with Ash's very real character growth Kirkus Reviews [The Traditional Games of England, Scotland, and Ireland](#) Alice Bertha Gomme, 1898
