Sustainable Energy for Smart Cities João L. Afonso, Vítor Monteiro, José Gabriel Pinto, 2020-04-08 This book constitutes the refereed post conference proceedings of the First EAI International Conference on Sustainable Energy for Smart Cities SESC 2029 held as part of the Smart City 360 Summit event in Braga Portugal in December 2019 The 23 revised full papers were carefully reviewed and selected from 38 submissions They contribute to answer complex societal technological and economic problems of emergent smart cities The papers are organized thematically in tracks starting with mobile systems cloud resource management and scheduling machine learning telecommunication systems and network management The papers are grouped in topical sections on electric mobility power electronics intelligent transportation systems demand response energy smart homes Internet of Things monitoring network communications power quality power electronics *The Stage Guide* L. Carson, 1912 [The Stage Guide](#), 1912 **Cities on the World Stage** David J. Gordon, 2020-05-07 Cities are playing an ever more important role in the mitigation and adaption to climate change This book examines the politics shaping whether how and to what extent cities engage in global climate governance By studying the C40 Cities Climate Leadership Group and drawing on scholarship from international relations social movements global governance and field theory the book introduces a theory of global urban governance fields This theory links observed increases in city engagement and coordination to the convergence of C40 cities around particular ways of understanding and enforcing climate governance The collective capacity of cities to produce effective and socially equitable global climate governance is also analysed Highlighting the constraints facing city networks and the potential pitfalls associated with a city driven global response this assessment of the transformative potential of cities will be of great interest to researchers graduate students and policymakers in global environmental politics and policy [My City Links](#) *My City Links*, 2021-08-01 Meet The Changemakers Who Are Blazing A Trail And Inspiring Others Often all it takes to bring about positive change is a small spark in the mind a germ of an idea that has the potential to grow into something big that offers benefits few knew existed In our Cover Story we catch up with some individuals who are leaving an indelible mark through some pioneering work in their chosen fields From farming and education to music and films they have carved out their own unique identity And then there are those who have taken the road less travelled by These are stories that inspire and give renewed hope for the future It s been many months since India rolled out what has been described as the world s largest vaccination drive Availability of Covid 19 vaccines has grown steadily Unfortunately so has vaccine hesitancy Breakthrough infections or infections in fully vaccinated people have only added to doubts in many people s minds In our City Health section we dispel some of the myths surrounding vaccines by breaking down the issue into simple questions and getting you the answers The bottomline according to a top health expert is that vaccination reduces the severity of Covid 19 and cuts the mortality risks associated with it There is perhaps nothing more exhilarating than exploring nature and heritage when they come together

seamlessly In this edition we explore one such destination located in Dhenkanal A heritage property this is a palace located on a hill overlooking dense forests It s not just humans who bore the brunt of the pandemic induced lockdowns since last year It also took a toll on stray animals These trying times have seen the emergence of some good samaritans who have come to their rescue Our City Lights section catches up with some of them as they describe what motivated them to step forward and help The National Education Policy NEP 2020 aims at changing the system to bring it in sync with global realities and requirements while building on traditional practices City Interactive takes a close look at the importance of teachers in this endeavour In City Lights we connect with an entrepreneur who has been trying to make a difference through something that is intrinsically linked with health diagnostics Debaditya Dutta discusses a new device that does away with the need to use needles for routine tests The Fashion Lifestyle section brings you some cool hair and skin tips to beat the summer blues

My City Links: September 2023 Issue My City Links,2023-09-01 Ask anyone who they look up to and give credit to for being the person that they have become chances are that a teacher will be on their list along with parents family members and close friends To mark Teacher s Day our Cover Story for this edition pays tribute to the role that teachers play in our lives Anybody who was around in the 80s would remember the pulsating beats and the psychedelic lights that were synonymous with a new form of music that held the world in thrall A special feature in City Tales revisits the birth of Disco music its impact on the Bollywood film industry and its eventual decline of sorts With the growing realisation that Artificial Intelligence AI is here to stay discussions these days often veer around to the influence this latest revolution in technology can have on different human endeavours In City Tech we take a look at some of the latest AI tools that can be used for a variety of functions As it happens advances in technology invariably come with their own unique challenges Preventing cybercrime and identifying the perpetrators is one such challenge for law enforcement agencies these days and official data on the nature and number of such incidents presents a grim picture Twin City police chief Soumendra Priyadarshi discusses the challenges in City Beat The section also looks at diseases like dengue that make an appearance during the monsoon season We speak with health and municipal officials to bring you a ground report In Screen Shots we catch up with the newest star on the block who is creating quite the buzz on the OTT circuit these days Life has not been the same for actor Prem Parija who had earlier worked as an assistant director for Bollywood films since he was signed up to play the lead role in the Commando series The section also features Odia film producer Sanjay Nayak and filmmaker NG Reddy During the course of a freewheeling chat they discuss the current state of the Ollywood film industry and what needs to be done to draw the audience back to the movie theatres This edition explores the interesting 200 year old Urdu poetry tradition of Mushaira in the city of Cuttack City Culture and the inspiring story of an 18 year old entrepreneur who is rewriting the rules of success City Biz **Transport Organisation in a Great City** Michael F. Collins,Timothy M. Pharoah,2021-05-11 Originally published in 1974 this book examines the problems confronting the London public transport system in the 1970s After a brief

historical introduction the book then pays particular attention to planning capital investment co ordination the relationship between transport and housing the competition between road and rail and the grants paid by central government There are 15 case studies of significant topics ranging from station car parks to bus lanes new tube trains to facilities for pedestrians Although the focus is on London many of the issues are common to other UK cities and across the world US Highway 18/151, CTH PD to USH 12, US Highway 12/14, USH 14 to Todd Drive, Dane County ,2011 **City/Stage/Globe D.J. Hopkins,2013-09-13** This interdisciplinary study theorizes the interaction of individual performance and social space Examining three categories of space the urban the theatrical and the cartographic this volume considers the role of performance in the production and operation of these spaces during a period in London s history defined roughly by the life of Shakespeare City Stage Globe not only organizes a selection of plays pageants maps and masques in the historical and cultural contexts in which they emerged but also uses performance theory to locate the ways in which these seemingly ephemeral events contributed to lasting change in the spatial concepts and physical topograpy of early modern London

Climate Change Root Cause: Unconstitutional Federal Highways Making Unwalkable Cities Bill

James,2023-11-21 Transportation has always been the catalyst for changing energy systems In history people Paddled boats then built water wheels Sailed boats then built windmills Rode horses then harnessed them to plows Railroads in the 1860s burned every tree near their tracks then tuned their engines to burn coal and oil That industrialized the shift from biofuels hay and wood to fossil fuels Railroads triggered the extraction industry s scaling to commercial viability from 500 a barrel in current dollars to affordable JPods networks cut transportation costs by 10X This cost savings supports deploying 1 megawatt of collectors per mile of guideway to gather 40 60 000 vehicle miles of power per mile of guideway per typical day 4 5 megawatt hours This creates massive demand for collector manufacturing microgrids and many storage alternatives It also makes JPods networks durable against oil supply irregularities by being solar powered transportation networks and breaking a century of regulatory barriers triggered the building of the Physical Internet
