Letting It Work for You

"The book could be called *Lifefright* instead of *Stagefright*, because it deals with living and communicating. Many of the same problems exist in one's everyday life as on stage. They simply become more evident in the stress of performance." — Dave Brubeck

"A unique contribution...will help not only musicians, dancers and actors but also anyone who performs in public...Highly recommended." — Leonard Raver, Official Organist, The New York Philharmonic; Organ Faculty, The Juilliard School
