and glowing labyrinth of coloured jewels a past age is speaking far more articulately if one stops to unravel the message than ever in stone or wood and it is for those who can be induced to take that second look which will be followed by a third and a fourth and many more that I have written this book **An Introduction to English Stained Glass** Michael Archer, Victoria and Albert Museum, 1985 *English Stained Glass* Herbert Read, 1973 Stained Glass of the Middle Ages in England and France Arnold Hugh, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Stained Glass of the Middle Ages in England & France* Hugh Arnold, 1939
