Stalin Cd:

The Kremlin Letters David Reynolds, Vladimir Pechatnov, 2018-11-27 A penetrating account of the dynamics of World War II's Grand Alliance through the messages exchanged by the Big Three Stalin exchanged more than six hundred messages with Allied leaders Churchill and Roosevelt during the Second World War In this riveting volume the fruit of a unique British Russian scholarly collaboration the messages are published and also analyzed within their historical context Ranging from intimate personal greetings to weighty salvos about diplomacy and strategy this book offers fascinating new revelations of the political machinations and human stories behind the Allied triumvirate Edited and narrated by two of the world's leading scholars on World War II diplomacy and based on a decade of research in British American and newly available Russian archives this crucial addition to wartime scholarship illuminates an alliance that really worked while exposing its fractious limits and the issues and egos that set the stage for the Cold War that followed

Stalin's General Geoffrey Roberts, 2012-06-05 Widely regarded as the most accomplished general of World War II the Soviet military legend Marshal Georgy Zhukov at last gets the full scale biographical treatment he has long deserved A man of indomitable will and fierce determination Georgy Zhukov was the Soviet Union's indispensable commander through every one of the critical turning points of World War II It was Zhukov who saved Leningrad from capture by the Wehrmacht in September 1941 Zhukov who led the defense of Moscow in October 1941 Zhukov who spearheaded the Red Army's march on Berlin and formally accepted Germany's unconditional surrender in the spring of 1945 Drawing on the latest research from recently opened Soviet archives including the uncensored versions of Zhukov's own memoirs Roberts offers a vivid portrait of a man whose tactical brilliance was matched only by the cold blooded ruthlessness with which he pursued his battlefield objectives After the war Zhukov was a key player on the geopolitical scene As Khrushchev's defense minister he was one of the architects of Soviet military strategy during the Cold War While lauded in the West as a folk hero he was the only Soviet general ever to appear on the cover of Time magazine Zhukov repeatedly ran afoul of the Communist political authorities Wrongfully accused of disloyalty he was twice banished and erased from his country's official history left out of books and paintings depicting Soviet World War II victories Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around Zhukov's life and career to deliver fresh insights into the marshal's relationships with Stalin Khrushchev and Eisenhower A remarkably intimate portrait of a man whose life was lived behind an Iron Curtain of official secrecy Stalin's General is an authoritative biography that restores Zhukov to his rightful place in the twentieth century military pantheon

The Ideology of the Extreme Right Cas Mudde, 2002 This book provides a comprehensive and detailed analysis of the five main parties of the extreme right in the Netherlands Centrumdemocraten Centruumpartij Belgium Vlaams Blok and Germany Die Republikaner Deutsche Volksunion Using primary research including internal party documents it concludes that rather than right wing and extremist the core ideology of these parties is

xenophobic nationalist including also a mix of law and order and welfare chauvinism The author s research and conclusions have broader implications for the study of the extreme right phenomenon and party ideology in general **The First**

Domino Johanna Cushing Granville,2004 A Fascinating Analysis Based on Newly Declassified Documents from the Former USSR and Communist Bloc On October 23 24 and November 3 4 1956 the Soviet Union invaded Hungary to reassert strict communist rule The First Domino International Decision Making during the Hungarian Crisis of 1956 is the first analytical monograph in English drawing on new archival collections from East bloc countries to reinterpret decision making during this Cold War crisis Johanna Granville selects four key patterns of misperception as laid out by Columbia University political scientist Robert Jervis and shows how these patterns prevailed in the military crackdown and in other countries reactions to it Granville perceptively examines the statements and actions of Soviet Presidium members the Hungarian leadership U S policy makers and even Yugoslav and Polish leaders According to Granville Soviet first secretary Nikita Khrushchev zigzagged ineptly between policy options with apparently little or no analysis of costs and risks permitting Moscow s Eastern European satellites at times to subtly manipulate the Kremlin s decision making Granville s discussions of Polish policy Yugoslav actions and the arduous process of normalization after the uprising show that the Soviets were preoccupied with stemming what many of them construed as a Western encouraged attempt to undermine Eastern Europe s communist regimes Granville concludes that the United States bears some responsibility for the events of 1956 as ill advised U S covert actions may have convinced the Soviet leaders that the United States was attempting to weaken Soviet hegemony over Eastern Europe although the Eisenhower administration actually intended only to sow confusion and dissatisfaction This masterful study leads to the conclusion that the Hungarian Crisis in 1956 was most likely sustained by self perpetuating misperceptions and suspicions among key countries In short Granville s multi archival research tends to confirm the post revisionists theory about the cold war it was everyone s fault and no one s fault It resulted from the emerging bipolar structure of the international system the power vacuum in Europe s center and spiraling misconceptions **Operation**

Don's Left Wing David M. Glantz,2019-12-13 On 1 January 1943 with German Sixth Army about to be destroyed in the Stalingrad pocket the Stavka Soviet High Command launched Operation Don a strategic offensive conducted by the Red Army s Southern Southwestern and Trans Caucasus Fronts aimed at demolishing German defenses in the southern Soviet Union and decisively turning the war s tide Critical to this ambitious operation was the mission assigned to the Trans Caucasus Front to isolate and destroy German Army Group A in the northern Caucasus region in cooperation with the Southern Front Operation Don s Left Wing is the first detailed study of this crucial but virtually overlooked Soviet military operation Because of the priority given to the assault on German Sixth Army at Stalingrad the Red Army Southwestern Southern and Trans Caucasus Fronts were compelled to execute their missions with scant resources inadequate logistical support personnel replacements and reinforcing equipment Based on newly released Red Army archival operational

documents David M Glantz constructs a clear comprehensive account of how despite such constraints the Trans Caucasus Front nonetheless pursued and severely damaged German First Panzer Army although it failed to encircle and destroy the panzer army as hoped These documents include candid daily orders and reports periodic situation maps a full array of ever changing operational plans and strength and casualty reports prepared by Soviet formations and units throughout the offensive With unprecedented access to these documents Glantz delves into previously forbidden topics such as unit strengths and losses and the foibles and attitudes of commanders at every level Following Glantz s Operation Don s Main Attack this documentary study expands our understanding of a pivotal operation in the Soviet triumph over Nazi Germany and a decisive moment in the history of World War II on the Eastern Front *Mobilizing India* Tejaswini
