Stalins Nose:

Breaking Stalin's Nose Eugene Yelchin, 2024-09-04 An affecting novel This Newbery Honor book offers timeless lessons about dictatorship disillusionment and personal choice San Francisco Chronicle One of The Horn Book's Best Fiction Books of the Year Sasha Zaichik has known the laws of the Soviet Young Pioneers since the age of six A Young Pioneer is devoted to Comrade Stalin the Communist Party and Communism A Young Pioneer is a reliable comrade and always acts according to conscience A Young Pioneer has a right to criticize shortcomings But now that it is finally time to join the Young Pioneers the day Sasha has awaited for so long everything seems to go awry He breaks a classmate's glasses with a snowball He accidentally damages a bust of Stalin in the school hallway And worst of all his father the best Communist he knows was arrested just last night This moving story of a ten year old boy's world shattering is masterful in its simplicity powerful in its message and heartbreaking in its plausibility Mr Yelchin has compressed into two days of events an entire epoch giving young readers a glimpse of the precariousness of life in a capricious yet ever watchful totalitarian state The Wall Street Journal Yelchin's debut novel does a superb job of depicting the tyranny of the group A story just as relevant in our world as that of Yelchin's childhood Kirkus Reviews This brief novel gets at the heart of a society that asks its citizens even its children to report on relatives and friends Appropriately menacing illustrations by first time novelist Yelchin add a sinister tone The Horn Book starred review *Stalin's Nose* Rory MACLEAN, 1993 **Stalin's Nose** Rory MacLean, 1994-09-01

Breaking Stalin's Nose , 2011-09-27 In the Stalinist era of the Soviet Union ten year old Sasha idolizes his father a devoted Communist but when police take his father away and leave Sasha homeless he is forced to examine his own perceptions values and beliefs **Stalin's Nose** Rory MACLEAN, 1993 *Stalin's Nose* Rory MacLean, 1993 [Breaking Stalin's Nose a Comprehensive Study Guide](#) Rivky Tress, Rivky Grossman, 2018-06-20 **Stalin's Falcons** Dmitry Zubov, 2024-05-31 In this stunning expos Dmitry Zubov reveals the dark truth of the terrible losses suffered by Soviet flyers the inferiority of the Russian aircraft on World War II's Eastern Front and the almost slave like conditions in which those aircraft were made The Soviet history of the Second World War written under the conditions of a totalitarian regime reflected all its features with the result that it includes solid sets of patriotic fables that have no connection with reality Many of the events of the war were distorted beyond recognition or even made up from beginning to end Archives containing original documents were available only to selected specially verified KGB historians who presented only the version of the war that was acceptable to the Soviet regime After the collapse of the Soviet Union the process of declassifying archives and gaining wide access to information gradually began to reveal the terrible truth of the crimes of the Soviet regime One of which of course was the incompetent leadership of the Red Army which led to massive loss of life across the military and civilians alike However the consequences of decades of Soviet propaganda had a strong impact on both Russian and world historical science Because of this not only Russian but unfortunately many European and American historians found

themselves repeating the Soviet myths they had been fed The history of Soviet fighter aircraft did not escape this fate The tale of Stalin s so called Falcons who allegedly shot down dozens and even hundreds of Luftwaffe aircraft was persistently drummed into the heads of many generations of Russian people These heroes supposedly flew Soviet fighters whose technical characteristics were many times superior to their German counterparts with the result that Luftwaffe aces were reportedly afraid of meeting them in the air These primitive propaganda clich s became a model for describing the actions of Stalin s fighter aircraft In this stunning expos Stalin s Falcons reveals the stark and dark truth of the terrible losses suffered by Soviet flyers the inferiority of the Russian aircraft and the almost slave like conditions in which those aircraft were made

The Hawk and the Dove Nicholas Thompson,2025-09-23 A brilliant and revealing biography of the two most important Americans during the Cold War era written by the grandson of one of them Only two Americans held positions of great influence throughout the Cold War ironically they were the chief advocates for the opposing strategies for winning and surviving that harrowing conflict Both men came to power during World War II reached their professional peaks during the Cold War s most frightening moments and fought epic political battles that spanned decades Yet despite their very different views Paul Nitze and George Kennan dined together attended the weddings of each other s children and remained good friends all their lives In this masterly double biography Nicholas Thompson brings Nitze and Kennan to vivid life Nitze the hawk was a consummate insider who believed that the best way to avoid a nuclear clash was to prepare to win one More than any other American he was responsible for the arms race Kennan the dove was a diplomat turned academic whose famous X article persuasively argued

that we should contain the Soviet Union while waiting for it to collapse from within For forty years he exercised more influence on foreign affairs than any other private citizen As he weaves a fascinating narrative that follows these two rivals and friends from the beginning of the Cold War to its end Thompson accomplishes something remarkable he tells the story of our nation during the most dangerous half century in history
