Stalins Silver:

Stalin's Silver John Beasant, 1995-01-01 On the night of August 28 1944 three torpedoes from the German submarine U 859 sank the American merchant ship USS John Barry in the Arabian sea off the eastern seaboard of Oman The holds of the John Barry contained over 300 million in silver bullion The 7200 ton ship broke into two pieces and sank to a depth of 8500 feet more than one and a half miles

The Red Warrior: U.S. Perceptions of Stalin's Strategic Role in the Allied Journey to Victory in The Second World War Reagan Fancher, 2024-09-24 Through U S President Franklin D Roosevelt s Lend Lease program American leaders sought to keep Joseph Stalin s Red Army in the field and fighting Adolf Hitler s forces in the Second World War from 1941 forward Delivered by the Anglo American Arctic naval convoys overland through the Iranian deserts and mountains and through the skies from Alaska to Siberia this much needed material aid helped Stalin s Red Army to continue fighting and thereby prevented a separate peace with Hitler s Germany and a mechanized repeat of the First World War s Brest Litovsk fiasco Yet Roosevelt and other U S officials due to their severe underestimation of Stalin s character and his rigid and fanatical devotion to exporting Communism at gunpoint gambled incorrectly that they could win the Soviet premier s heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the Soviet regime By 1945 American leaders had succeeded in their strategic goal of keeping Stalin and his Red Army in the war and hastening victory but failed in their efforts to purchase the Soviet premier s goodwill and commitment to postwar peace heralding the global Cold War and setting the stage for later U S martial aid programs to those resisting aggression abroad In addition to its primary focus on the American leadership s perceptions of Stalin s strategic importance to the Allied war effort in the Second World War this work also includes a detailed assessment of Roosevelt s Soviet Lend Lease program alongside U S President Ronald Reagan s later support for the Afghan Islamic guerrillas resisting Soviet occupation during the Soviet Afghan War of the 1980s and a comparison of both martial aid programs with Washington s recent revival of Lend Lease aid for the Ukrainian war effort It offers today s American leaders and policymakers a chance to consult the lessons of history and apply them in the present

Stalin's Quest for Gold Elena Osokina, 2021-09-15 Stalin s Quest for Gold tells the story of Torgsin a chain of retail shops established in 1930 with the aim of raising the hard currency needed to finance the USSR s ambitious industrialization program At a time of desperate scarcity Torgsin had access to the country s best foodstuffs and goods Initially only foreigners were allowed to shop in Torgsin but the acute demand for hard currency revenues forced Stalin to open Torgsin to Soviet citizens who could exchange tsarist gold coins and objects made of precious metals and gemstones as well as foreign monies for foods and goods in its shops Through her analysis of the large scale state run entrepreneurship represented by Torgsin Elena Osokina highlights the complexity and contradictions of Stalinism Driven by the state s hunger for gold and the people s starvation Torgsin rejected Marxist postulates of the socialist political economy the notorious class approach and the state hard currency monopoly In its pursuit for gold Torgsin

advertised in the capitalist West encouraging foreigners to purchase goods for their relatives in the USSR and its seaport shops and restaurants operated semilegally as brothels inducing foreign sailors to spend hard currency for Soviet industrialization Examining Torgsin from multiple perspectives economic expediency state and police surveillance consumerism even interior design and personnel Stalin's Quest for Gold radically transforms the stereotypical view of the Soviet economy and enriches our understanding of everyday life in Stalin's Russia Stalin's Silver Aulagi Al Sheikh, 1995-11-01 *Stalin's Secret War* Robert W. Stephan, 2003-12-02 The Soviet German War of 1941-1945 was the most extensive intelligence counterintelligence war in modern history involving the capture torture deportation execution and doubling of tens of thousands of agents most of them Soviet citizens While Russian armies fought furiously to defeat the Wehrmacht Stalin's security services waged an equally ruthless secret war against Hitler's spies as well as against the Soviet population For the first time Robert Stephan now combines declassified U.S. intelligence documents captured German records and Russian sources including a top secret Soviet history of its intelligence and security services to reveal the magnitude and scope of the brutal but sophisticated Soviet counterintelligence war against Nazi Germany Employing as many as 150,000 trained agents across a 2,400 mile front the Soviets neutralized the majority of the more than 40,000 German agents deployed against them As Stephan shows their combination of Soviet military deception operations and State Security's defeat of the Abwehr's human intelligence effort had devastating consequences for the German Army in every major battle against the Red army including Moscow Stalingrad Kursk the Belorussian offensive and the Vistula Oder operation Simultaneously Soviet State Security continued to penetrate the world's major intelligence services including those of its allies terrorize its own citizens to prevent spying desertion and real or perceived opposition to the regime and run millions of informants making the USSR a vast prison covering one sixth of the world's surface Stephan discusses all facets of the Soviet counterintelligence effort including the major Soviet radio games used to mislead the Germans operations Monastery Berezino and those that defeated Himmler's Operation Zeppelin He also gives the most comprehensive account to date of the Abwehr's infamous agent Max whose organization allegedly ran an entire network of agents inside the USSR and reveals the reasons for Germany's catastrophic underestimation of Soviet forces by more than one million men during their 1944 summer offensive in Belorussia Richly detailed and epic in scope Stalin's Secret War opens up a previously hidden dimension of World War II Stalin's Silver Alaulagi A.F. Sheikh, 1995-11-01 **Stalin's Silver** John Beasant, 2000-11-18 August 28, 1944 off the coast of Oman in the Arabian Sea three torpedoes fired by German submariners aboard U-859 ram an American merchant ship the USS John Barry The 7,200 ton surface vessel carries Saudi silver riyals worth 80 million and another 300 million in silver bullion When the torpedoes strike they tear the John Barry into two pieces delivering the ship and her treasure to a watery grave 8,500 feet below sea level For forty-five years the wreck lay inaccessible on the ocean floor But in 1989 Sheikh Ahmed Farid al Aulagi acquired salvage rights and enlisted the help of the French International Maritime

Institute and Jean Roux Roux had led an expedition recovering artifacts from the Titanic now he and his team would develop the technology and the technique to permit an operation of deep sea recovery never before deemed possible In Stalin s Silver John Beasant recreates the USS John Barry s fateful voyage and death defying salvage With help from the mission s survivors Deasant resolves a fifty year old mystery Where was the merchant ship taking its precious cargo Stalin s Silver is an exceptional account of politics and intrigue during the Second World War It is also the story of the world s most valuable and mysterious sunken treasure and the men who recovered it **Weekly World News** ,1996-02-13 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Folklore for Stalin** Frank J. Miller,2020-08-26 After the First Congress of Soviet Writers in 1934 folklore like literature became an instrument of the political propagandist Folklorists devoted considerable efforts to attending to what purported to be a rebirth of the Russian epic tradition producing works of pseudofolklore that as often as not featured Joseph Stalin in the hero s role Miller s account of this curious episode in the history of popular culture and totalitarian politics and his synopses and translations of classic examples of folklore for Stalin seek to serve as a resource not only for the study of contemporary folklore but also for the political scientist **Weekly World News** ,1997-09-09 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site
