Standard Grade Modern Studies The World:

Standard Grade Modern Studies Frank Healy, Jim Bryden, 2006-01-01 This work provides updated coverage of the Standard Grade syllabus with fully differentiated material for Foundation General and Credit students **Standard Grade Modern Studies**, 2006 Routledge Library Editions: Curriculum Various, 2021-07-09 Reissuing works originally published between 1971 and 1994 this collection includes books which offer a broad spectrum of views on curriculum both within individual schools and the wider issues around curriculum development reform and implementation Some cover the debate surrounding the establishment of the national curriculum in the UK while others are a more international in scope Many of these books go beyond theory to discuss practical issues of real curriculum changes at primary or secondary level The Set includes books on cross curricular topics such as citizenship and environment and also guidance careers life skills and pastoral care in schools A fantastic collection of education history with much still relevant today **Resources in**

Education, 2001-10 **Research on Teaching Global Issues** John P. Myers, 2020-06-01 This edited book is the first full length volume exclusively devoted to new research on the challenges and practices of teaching global issues It addresses the ways that schools can and do address young people s interest and activism in contemporary global issues facing the world Many young people today are passionate about issues such as climate change world poverty and human rights but have few opportunities in schools to study such issues in depth This book draws on new research to provide a deeper understanding and examples of how global issues are taught in schools The book is organized in two sections 1 contexts and policies in which global issues are taught and learned and 2 case studies of teaching and learning global issues in schools The central thesis is that global issues are an essential feature of democracy and social action in a world caught in the thrall of globalization Schools can no longer afford to ignore teaching about issues impacting across the world if they intend to keep young people engaged in learning and want them to make their own communities and the greater world better places for all
