The Kennedys A Chronological History 1823present:

The Kennedys Harvey Rachlin,1986 *The Kennedys* Thomas Maier,2003-10-15 A meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies 100 000 first printing

The Kennedys: America's Emerald Kings Thomas Maier,2009-03-25 Meticulously researched both here and abroad The Kennedys examines the Kennedy s as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy s arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK s pioneering campaign for president rested on a tradition of navigating a cultural divide that began when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe Kennedy s tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier s original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country s foremost political dynasty *Bobby and Jackie* C. David Heymann,2009-07-14 From the New York Times bestselling author of *A Woman Named Jackie* comes this in depth and well researched look at the complex relationship that existed between Bobby Kennedy and Jacqueline Kennedy Onassis 50 b w photos throughout *The Kennedy Curse* Edward Klein,2025-09-23 Death was merciful to Jacqueline Kennedy Onassis for it spared her a parent s worst nightmare the loss of a child But if Jackie had lived to see her son JFK Jr perish in a plane crash on his way to his cousin s wedding she would have been doubly horrified by the familiar pattern in the tragedy Once again on a day that should have been full of joy and celebration America s first family was struck by the Kennedy Curse In this probing expose renowned Kennedy biographer Edward Klein a bestselling author and journalist personally acquainted with many members of the Kennedy family unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to such a mind boggling chain of calamities Drawing upon scores of interviews with people who have never spoken out before troves of private documents archives in Ireland and America and private conversations with Jackie Klein explores the underlying pattern that governs the Kennedy Curse The reader is treated to penetrating portraits of the Irish immigrant Patrick Kennedy Rose Kennedy s father Honey Fitz the dynasty s founding

father Joe Kennedy and his ill fated daughter Kathleen President Kennedy accused rapist William Kennedy Smith and the star crossed lovers JFK Jr and Carolyn Bessette Each of the seven profiles demonstrates the basic premise of this book The Kennedy Curse is the result of the destructive collision between the Kennedy s fantasy of omnipotence an unremitting desire to get away with things that others cannot and the cold hard realities of life *The Kennedy Family* S. J. Fuller,2007
