Sacramental Forgiveness as a Gift of God Eric Luijten,2003 What is the theological place of the Holy Spirit with respect to the forgiveness of sins in the sacrament of penance This study examines the role of the Spirit in the theology of sacramental forgiveness of Thomas Aquinas 1224 5 1274 who is often blamed for the Geistvergessenheit of Western theology In the first part of this study it is shown that in Thomas theology notions like guilt and forgiveness function within the context of a relationship of friendship between God and human beings Constitutive for this relationship is the indwelling of God which is appropriated to the Holy Spirit It is explained that Thomas understands appropriation i e the practice of ascribing to divine Persons individually what belongs to the divine essence in general as a part of proper God talk which takes into account the limitations of our language vis a vis God In the second part of this study it is argued that the notion of the causality of the sacrament of penance i e that it effects the forgiveness of sins that it signifies can only be evaluated properly if the sacrament of penance is not only seen as prolongation of the incarnation i e the visible mission of the Son but also as accompanied by the continuous invisible mission of the Holy Spirit Eric Luijten 1964 has been a research fellow of the Catholic Theological University at Utrecht the Netherlands and at present is rector of studies of the Arienskonvikt the priest seminary of the archdiocese Utrecht and the diocese Groningen **Walking A Christian Path** Graham Pockett,2025-05-09 Walking the Christian Path is a free ebook featuring a number of thought provoking articles on various aspects of Christianity Written by a journalist and dedicated researcher of the Bible its translations and Christian doctrine this collection is designed to engage both new believers and those further along in their spiritual journey The book is divided into two main sections Milk This section is geared toward new or newer Christians It offers insights into what it means to live a Christian life and what to expect as you begin your faith journey Topics include reflections on prayer why some prayers are answered and others aren't the Theory of Evolution and even a look at what Jesus may have looked like It also features three analogies to help explain foundational concepts The Key to Heaven The Three Crosses and The Cavern of Life Additionally three personal testimonies Do You Believe in Miracles Testing the Lord and The Leather bound Family Bible bring faith to life through real world experiences Meat Aimed at the more mature Christian this section delves into deeper and sometimes more challenging theological topics It explores questions like Is Once Saved Always Saved biblical What is true forgiveness Does God ever
