The Killing of Idi Amin Leslie Watkins, 1976 The Writing of East and Central Africa G. D. Killam, 1984 **The Raging Storm** Lamwaka, Caroline, 2016-12-14 The Raging Storm A Reporter's Inside Account of the Northern Uganda War 1986 2005 is a highly personal and inside account of the northern Uganda war by a young woman whose early encounter with the conflict was as an on the ground war correspondent Caroline Lamwaka's experiences as a war time journalist inform the narrative the research and the broader perspective of an academically trained war and peace researcher The book examines four phases of the northern Uganda war These are the war in Acholi Lango and Teso the peace efforts to end the war the impact of the war and coping with the impact of insurgency Caroline Lamwaka joins other authentic voices examining the northern Uganda war **The Spiritual Root of the Matter Is Found in Me!** Pamela McKissack, 2012-06 This work is being released after being hindered for a little over 3 years However due to the importance continued promptings encouragement consistent help and steadfastness of the Holy Spirit we are finally able to release it to the body of Christ as led and directed by the Lord Seeing that none of us are perfect we have done our best to help you understand how the Lord is desiring us to gain the ability to resist dark spirit infiltrations development and infestations against our body soul spirit life and relationships which could lead to spiritual captivity spiritual spoil spirit domination and can even cause or produce servants of corruption without consistent releases from dark spirit activity and intrusions of dark spirit life Although it may not be a perfect work it is the Lord that perfects His work in our lives it is a complete assignment within itself None of us will ever be perfect outside of Christ We have stood in the gap to complete this work for the body of Christ and those desiring to be in the Lord's camp by the will of the Lord and by His grace we humbly release this writing to help you stand in these last days in obedience to the Lord and we pray to do a Volume Two to continue working towards perfecting anything we could have missed while continuing to stand during try times and hindrances to complete this work It continues to be a good fight of faith all the way for the honor and glory of His name Eze 22 30 Sam 15 22 Eph 6 13 Please remember that our independent flow charts are now available to help preserve the body soul and or spirit life and situations in Christ and can be used as a supplement to this writing to help you stand in battle in these areas and or withstand whatever and however the enemy is trying to affect and or operate in your life Be encouraged there is hope in Christ Jesus because of His complete work at Calvary HE IS RISEN He is Lord in the spirit realm He is Lord of all Mt 28 6 We bless you in the name of the Lord Ps 129 8 Pamela McKissack one of our contributing authors and Lord Ministry Staff For contact information write LMS P O Box 27176 Cleveland Ohio 44127 **The Two-Edged Sword** William H. Hampton, Virginia Schroeder Burnham, 2003-03 What did Indira Gandhi Josef Stalin and Winston Churchill have in common The answer paranoia Paranoia is a much misunderstood word The authors hope readers will use this book to develop self knowledge and self control *Genocide* Howard Ball, 2010-11-18 This book presents the background and history of genocide the key issues associated with this

worldwide crime and the problems inherent in preventing its occurrence In 1948 the UN General Assembly adopted the Convention on the Prevention and Punishment of the Crime of Genocide CPPCG legally defining the crime of genocide for the first time Amazingly the United States did not ratify this international agreement until nearly 40 years later when President Reagan finally signed the genocide convention bill Attempts to enforce international law against genocide did not begin until the 1990s Genocide A Reference Handbook examines the antecedents of the term genocide in the mid 19th century and explains the current challenges of preventing or even stopping genocide including the nation state system and principles of state sovereignty The author documents how crimes of genocide have continued unchecked and asserts that a collective commitment to humanitarian intervention is the only way to address this ongoing problem **AF Press Clips** ,1981 The Justice Dilemma Daniel Krcmaric,2020-09-15 Abusive leaders are now held accountable for their crimes in a way that was unimaginable just a few decades ago What are the consequences of this recent push for international justice In The Justice Dilemma Daniel Krcmaric explains why the golden parachute of exile is no longer an attractive retirement option for oppressive rulers He argues that this is both a blessing and a curse leaders culpable for atrocity crimes fight longer civil wars because they lack good exit options but the threat of international prosecution deters some leaders from committing atrocities in the first place The Justice Dilemma therefore diagnoses an inherent tension between conflict resolution and atrocity prevention two of the signature goals of the international community Krcmaric also sheds light on several important puzzles in world politics Why do some rulers choose to fight until they are killed or captured Why not simply save oneself by going into exile Why do some civil conflicts last so much longer than others Why has state sponsored violence against civilians fallen in recent years While exploring these questions Krcmaric marshals statistical evidence on patterns of exile civil war duration and mass atrocity onset He also reconstructs the decision making processes of embattled leaders including Muammar Gaddafi of Libya Charles Taylor of Liberia and Blaise Compaoré of Burkina Faso to show how contemporary international justice both deters atrocities and prolongs conflicts **AF Press Clips** United States Department of State. Bureau of African Affairs,1979 **American Foreign Policy Current Documents** ,1986 *Middle Eastern Terrorism* Mark Ensaraco,2012-04-17 Selected by Choice magazine as an Outstanding Academic Title Since the first airplane hijacking by the Popular Front for the Liberation of Palestine in September 1970 Middle Eastern terrorists have sacrificed innocent human lives in the name of ideology From Black September to the Munich Olympics to the embassy bombing in Beirut to the devastating attacks of September 11 and beyond terrorism has emerged as the most important security concern of our time Where did this come from Inspired by a student's question on the morning of September 11 2001 Mark Ensaraco has written a thoroughly researched narrative account of the origins of Middle Eastern terrorism addressing when and why terrorists started targeting Americans and American interests and what led to the September 11 attacks Ensaraco reveals the changing of motivations from secular Palestinian nationalism to militant Islam and demonstrates how competition among terrorists for

resources and notoriety has driven them to increasingly extreme tactics As he argues terrorist attacks grew from spectacle to atrocity Drawing on popular works and scholarly sources Middle Eastern Terrorism tells this story in rich detail and with great clarity and insight

Student Power in Africa's Higher Education Frederick K. Byaruhanga, 2013-10-08 This book the first of its kind to treat Uganda provides a historical analysis of the role of student voices in the development of Uganda's higher education It not only chronicles incidents of student protests but also explores and analyses their trigger points as well as the strategies employed by the university the government and the students to manage or resolve those crises In addition the book highlights the role played by national politics in shaping student political consciousness in particular their involvement in protests riots and demonstrations The book therefore limits its scope to the unfolding and impact of student crisis on the process of higher education Byaruhanga recommends that colleges and universities need to increase communication with students as well as promote student involvement in decision and policy making among other things in order to forestall future conflicts Most distinctively the book aims to address the current paucity of research on student activism in Uganda's higher education and highlights the critical need for research on higher education in Africa as a field of study The book also may serve as a base for cross national comparative analysis
