Days 1 and 2

Setting the Scene

Introduce the book and share an overview with students. Activate students' prior knowledge by discussing folktales.

A folktale often explains how or why something happens. Some examples include Johnny Appleseed, Paul Bunyan, and John Henry. Can you think of other folktales that you have read? What did they tell about or explain?

Talk about the cover.

Can you tell where the story takes place? Can you imagine what this play might be about?

Discuss the text structure.

Look quickly through the first couple of pages. What do you notice about how this story is written? A play is a story that is divided into scenes, or parts. The setting of each scene is described at its beginning. There are illustrations that help us imagine each scene. How is the rest of the text arranged? ➔

Explain that in a play like this, the dialogue is not shown by the use of quotation marks, but rather the way the text is laid out.

Teaching TIP

In order for students to understand the setting of this story, you might want to point out India on a world map or a globe.
