Praying by Heart Stephen Cottrell, 2024-10-10 Archbishop of York Stephen Cottrell argues that the first two words of Christianity s most famous prayer the Lord s Prayer encapsulate the radical heart of the Christian faith that we belong to each other and that we all have access to God And if we could understand both these ideas they would truly change our lives and the world Unpacking each clause of this ancient prayer both for those who want to encounter it afresh and those beyond church circles this is the Lord s Prayer recast as a manifesto for the 21st century church and all who are searching to belong

Affirmation and Healing Within Spiritual Direction Cynthia Herman, 2020-05-26 ABSTRACT Key to the process of spiritual growth is the knowledge that human beings long for love They desire to know their worth and value This seeking leads to a desire for a relationship with God In order to grow in faith to a deeper relationship with God it is important to first have a strong sense of one s own worth as a basis for growth This involves an accurate self perception and a loving self acceptance Affirmation can help to develop a loving self acceptance where one can experience feel and see one s worth Affirmation is a gift of love from one person to another where one

receives oneself as one experiences one's own goodness and dignity from the other and one learns one is lovable Another key to spiritual growth is self knowledge Self acceptance and self knowledge are the beginning of the spiritual life Developing emotional awareness leads to greater self knowledge Emotions need to be listened to and interpreted as part of the development of self knowledge and self acceptance This emotional awareness is the beginning of understanding the negative patterns of behavior that comes out of one's woundedness With the healing presence of Christ through prayer one can experience God's love for them in one's woundedness and know that God dwells within and desires to transform and heal wounds with his love This affirms one in one's worthiness enabling one to be able to open to receive love and then return love In spiritual direction one seeks a relationship with God It is a sacred time of growth conversion and transformation It is a time when one looks at a relationship with self others and God One is empowered by the grace of God to enter this process and continue the development of these relationships The ministry of spiritual direction is called to be the sacred place where humanity in their fullness meets their God and accepts his mercy When one surrenders to this grace one is surrendering to love mercy and affirmation One's self image and relationship with others and God are touched and experienced in a new light

Practicing Affirmation (Foreword by John Piper) Sam Crabtree, 2011-01-19 It happens in marriages parent child relationships friendships workplaces and churches Communication falters friendships wane teenagers withdraw marriages fail and bitter rifts sever once strong ties Christian communities are no exception Why do so many of our relationships suffer from alienation indifference and even hostility Author Sam Crabtree believes that often at the heart of these breakdowns is a lack of affirmation He observes in Scripture that God grants mercy to those who refresh others and in life that people tend to be influenced by those who praise them Crabtree shows how a robust God centered affirmation ratio refreshes others and honors God Practicing Affirmation sounds a call to recognize and affirm the character of Christ in others When done well affirmation does not fuel pride in the person but refreshes them and honors God All who are discouraged in relationships will find wisdom and practical insight in this book **This Is No Secret** Joy Kapur, 2009-02-19 It is almost impossible to capture the richness and the beauty of the idea contained in this book within the confines of one book or thousand books This is the essence of my own thinking and reflection based on my spiritual studies from various sources of knowledge and the wisdom of the ancient seers in the last forty years or so of my life It will be more appropriate to say that it is a product of my new awareness or call it the gift of grace that I have been able to put together multi faceted ideas about the Heart in a new frame of light We hear about the heart everywhere whether it is in a romantic tune or about love from the heart or emotions emanating from the heart or somebody singing about his or her broken heart Contrary to the popular belief that it is the brain that does everything and that it is mind or the brain that is the seat of consciousness we now know that it is the heart not the physical but the spiritual heart that is linked to the source of infinite intelligence Since ages in every culture and every religion much has been written about the heart metaphorically As per the wisdom of the ancient Hindu seers Greek

and Buddhist scholars heart is the seat of human consciousness Here are the lines from Rig Veda X129 written more than 3 000 years ago In the One arose Love Love the first seed of the Soul The truth of this the sages knew Found hidden in their hearts Seeking therein the essence of wisdom The sages found that bond of union Between the known the Unknown Mankind has reached the highest expression of life or perhaps coming close to the ultimate states of human evolution when it comes to emotions feelings perceptions and subtler or higher realms of consciousness The natural laws of the universe are coaxing the humanity to seek the oneness the unity and the harmony in the hearts of everybody and everywhere by rising above any barriers of divisiveness and separateness It is true that we can observe the mind through that faculty of the mind which observes the mind call it the faculty of reflection or self introspection It is the mind that observes the lower mind or the monkey mind and through developing this new awareness becomes the higher mind Let us call this the super mind This super mind has the faculty to absorb the heart based consciousness beyond the limited and conditioned consciousness of the baser mind In other words it is only through the light of this new awareness that mind becomes the super mind It is only through unity of the mind with the heart that the aspirant can experience a quantum leap in awareness and bestows the aspirant with keen intelligence This keen intelligence is not a product of the lower mind but the mind that soaked in the heart consciousness and the ennobling qualities connected with the heart The heart is far more than a mere organ that pumps blood all day long it is a generator of information energy and its cells are storehouses of info energetic memories Heart is a feeling thinking receiving and communicating organ having spiritual powers Heart is the most sophisticated internal cosmic antenna capable of receiving and remitting healing rays through thoughts feelings and prayers in the form of positive vibrations This not based on some heresy or some old man s tale or hunches it is based on self knowledge wisdom and discernment and qualities of head and heart It is your thoughts and passions deep down your heart that determine who you are and your core passions and what you will be based on knowing first and then implementing those passions through a plan of action When we know what we are deep down in our heart it is easy to go about following what we love and loving what we do All our desires ambitions fears loves and passions reside in embryonic form in our heart center We are naturally attracted to whatever we secretly harbor in our heart s DNA and whatever we harbor with passion has the p Songs of the Heart Florli Zweifel Nemeth,2012-06 THIS BOOK is based on the dialogue between the Shulamite Maiden and the Bridegroom in the Song of Solomon and is written as a devotional book with a verse by verse dialogue of the writer s conversations with God The author invites you to peer into her intimate dialogues with God and as you do so you may find yourself opening your heart to receive what God is saying to you Then when you turn the Scripture into personal prayer recording in your own journal the secret longings and prayers of your heart as well as the things that God says to you you may find to your amazement that God is crazy in love with you and passionately pursuing you as a lover of God Embracing the love of the Bridegroom for yourself you discover the joy of embarking on your own enjoyable journey to the high places of

The Single Individual and the Searcher of Hearts Jeff Morgan,2020-07-09 Jeff Morgan argues that both Immanuel Kant and S ren Kierkegaard think of conscience as an individual s moral self awareness before God specifically before the claim God makes on each person This innovative reading corrects prevailing views that both figures especially Kant lay the groundwork for the autonomous individual of modern life that is the atomistic individual who is accountable chiefly to themselves as their own lawmaker This book first challenges the dismissal of conscience in 20th century Christian ethics often in favour of an emphasis on corporate life and corporate self understanding Morgan shows that this dismissal is based on a misinterpretation of Immanuel Kant s practical philosophy and moral theology and of S ren Kierkegaard s second authorship He does this with refreshing discussions of Stanley Hauerwas Oliver O Donovan and other major figures Morgan instead situates Kant and Kierkegaard within a broad trajectory in Christian thought in which an individual s moral self awareness before God as distinct from moral self awareness before a community is an essential feature

of the Christian moral life *The Awakening of the Heart* Jill Downs, 1999 A great guide for all who desire to live with confidence The simple yet profound truths herein can enhance anyone s journey of the heart Down s words reflect a compassionate and magical universe Learn how to get back to basics by letting go The message is calm encouraging strong and sure
