Polemical and Exegetical Polarities in Medieval Jewish Cultures Ehud Krinis, Nabih Bashir, Sara Offenberger, Shalom Sadik, 2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century and beyond in the Muslim East in Muslim and Christian parts of the Mediterranean Sea and in west and east Europe This Festschrift for Daniel J Lasker consists of four parts The first highlights his academic career and scholarly achievements In the three other parts colleagues and students of Daniel J Lasker offer their own findings and insights in topics strongly connected to his studies namely intersections of Jewish theology and Biblical exegesis with the Islamic and Christian cultures as well as Jewish Muslim and Jewish Christian relations Thus this wide scoped and rich volume offers significant contributions to a variety of topics in Jewish Studies **Who Are the Jews--And Who Can We Become?** Donniel Hartman, 2023-11 2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience Who Are the Jews And Who Can We Become tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism s foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one s relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary

challenges including Diaspora Jewry's eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become

Persecution and the Art of Writing Leo Strauss, 2024-05-31 The locus classicus of Strauss's theory of esoteric writing which he emphatically exemplifies in three brilliant and influential interpretations Nathan Tarcov University of Chicago The essays collected in *Persecution and the Art of Writing* all deal with one problem the relation between philosophy and politics Here Strauss sets forth the thesis that many philosophers especially political philosophers have reacted to the threat of persecution by disguising their most controversial and heterodox ideas It is Strauss's thesis that few if any of the Great Books in philosophy and political philosophy can simply be read no matter how vigorously They have to be studied and in a special way for if they are truly great it is probably their intention to conceal as well as to reveal The bulk of *Persecution and the Art of Writing* is devoted to three long essays on the art of reading Maimonides' *Guide for the Perplexed* Judah Halevi's *Kuzari* and Spinoza's *Tractatus Theologico Politicus* These essays are so closely reasoned so brilliant in their analysis of details of style and argument that it is impossible fairly to summarize them Irving Kristol Commentary

Pearls of Jewish Wisdom on Living with Kindness Shmuly Yanklowitz, 2023-06-29 In this book we will share forty lessons each with its own unique theme The common thread to the series is living with deeper kindness How can the Jewish tradition inspire us to live with deeper love and compassion How can Jewish pearls of wisdom inform how we care for one another The book contains five sections Kindness Toward Specific Individuals Kindness Toward All Individuals Kindness Through Restraint Care for Our Environment and Self Improvement as a Catalyst for Kindness to Others The first two sections address proactive kindness towards our fellow humans the third addresses kindness by avoiding hurting others the fourth kindness towards all of God's creations including animals and nature as kindness cannot be only people directed the fifth serves as a starting point and catalyst for all of the above for without first being kind to ourselves and improving our general character we cannot be truly kind towards others The argument is not only that God wants us to live with kindness and that Torah necessitates it but that kindness has the greatest chance of bringing happiness and meaning to our lives

Inner Rhythms DovBer Pinson, 2000-06-30 What is Jewish Music What makes a song sound Jewish What is the place of music in Jewish history and philosophy The author writes What is known to us as Jewish music is actually a compilation of styles and rhythms gathered over centuries and obtained in various manners and from countless sources However musicologists the world over

agree that the purity of the Jewish song has always been retained The quality which makes it uniquely Jewish regardless of the influence on it has remained untouched and clearly identifiable What is this quality What is it that makes a song sound Jewish It is a note of longing of a child yearning to unite with his parent a nation pining for its homeland and lost temple a soul in this world remembering the holiness above and longing to reunite Each song resonates with the entirety of the Jewish experience the devastations and victories the separations and reunifications and above all the constant bound with the eternal The study of Jewish music is vast and requires volumes to contain it There are many who have analyzed its unique qualities and have written extensively on it Their examination of music is essentially a lesson in history another means of glimpsing a rich and diverse past There is yet another way to examine a song and that is to view it as an eternal message as relevant today as it was hundreds of years ago at the time of its composition Each song tells its own story in the heart of the one who sings it It evokes a unique response in each listener A tune can touch a soul in a way no words ever could The study of music as response is what I aim to portray in this work Music can be used in a myriad of ways in our everyday lives Especially today with all of the gadgets that can convey music we are bombarded by sound Just by taking a long walk a person changes zones of melodies beats and compositions of various types Our bodies seem to vibrate to uninvited songs and noises that permeate the air around us But invited
