

The Labor Movement In Post War France

Carlton Joseph Huntley Hayes

The Labor Movement In Post War France:

The French Labor Movement Val Rogin Lorwin, 1954 This book is based on careful historical analysis and personal observation Dr Lorwin has broken his material down under three main headings first an abbreviated history of the origins and development of French unionism through 1944 second a close examination of the critical years 1944-53 which saw the reunification in the Confédération Générale du Travail of the Communists purged in 1940 and the subsequent bolt of the anti-Communists to form the Confédération Générale du Travail Force Ouvrière and third an analysis of the international life of French unions their bargaining techniques their structure and their goals While the discussion in the first two parts of the book is significant the major contribution to knowledge is in the third section An extremely valuable analysis for those who are concerned with the nature of French unionism students of political behavior and particularly to those who are engaged in discriminating between institutional myths and institutional realities

The Public Finances of Post-war France Robert Murray Haig, Carl Sumner Shoup, Alexander Werth, Nathalie Molodovsky, 1929 Presents a survey of facts in French public life as an important bearing on the economic crisis through which France has passed since World War I France is studied due to its great burdens and more losses suffered than any other countries

The Labor Movement in Post-war France David Joseph Saposs, 1931

Social and Economic Studies of Post-war France Carlton Joseph Huntley Hayes, 1929

The Economic Development of Post-war France William F. Ogburn, William Jaffé, 1929

The Labor Movement in Post War France David Joseph Saposs, 2012-10 Columbia University Council For Research In The Social Sciences

Affluence and the French Worker in the Fourth Republic Richard F. Hamilton, 2017-03-14 The basic concern of the author is to find the reason for the persistent leftist character of French working class politics in a period of rapid industrialization and improving living standards Reanalyzing material from surveys made by two French organizations he finds that increased affluence is correlated with changes in social structure that increase radicalism As rural and small town workers come into big cities and large plants they are influenced by political activists who provide them with a Communist frame of reference for interpreting the meaning of new affluence Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Monthly Labor Review, 1963-12 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

American National Biography John A. Garraty, Mark C. Carnes, 2005-05-12 American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures

written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past History and Theories of Working-Class Movements Roy A. Ockert,1955 **Survey of the Current Literature of Industrial Relations** Industrial Relations Counselors, inc. Library,1928 Investigation of Un-American Propaganda Activities in the United States, Vol 3 United States. Congress. House. Un-American Activities,1938 **Bulletin** United States. National Labor Relations Board,1936 Written Trade Agreements in Collective Bargaining United States. National Labor Relations Board,1940 *Postwar Japan as History* Andrew Gordon,1993-10-20 Japan s catapult to world economic power has inspired many studies by social scientists but few have looked at the 45 years of postwar Japan through the lens of history The contributors to this book seek to offer such a view As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan s extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule A provocative set of interpretative essays by eminent scholars this book will appeal to anyone interested in the history of twentieth century Japan and the dilemmas facing Japan today *Effective Collective Bargaining* David Joseph Saposs,Lyle Winston Cooper,1938 **Marxism and the French Left** Tony Judt,2011 No detailed description available for Marxism and the French Left *Historical Outlook* ,1928 *The Social Studies* ,1928 Cooperative Associations in Europe and Their Possibilities for Post-war Reconstruction Florence E. Parker,Helen I. Cowan,1944
