Huntington Corral,1980      *Labor of Love* Moira Weigel,2016-05-17 An occasionally amusing and often provocative look at the work of wooing A lively tour of changing romantic mores The Economist Does anyone date anymore Today the authorities tell us that courtship is in crisis But when Moira Weigel dives into the history of sex and romance in modern America she discovers that authorities have always said this Ever since young men and women started to go out together older generations have scolded them That s not the way to find true love The first women who made dates with strangers were often arrested for prostitution long before hookup culture there were petting parties before parents worried about cell phone apps they fretted about joyrides and parking

Dating is always dying But this does not mean that love is dead It simply changes with the economy Dating is and always has been tied to work Lines like I ll pick you up at six made sense at a time when people had jobs that started and ended at fixed hours But in an age of contract work and flextime many of us have become sexual freelancers more likely to text a partner u still up Weaving together over one hundred years of history with scenes from the contemporary landscape Labor of Love offers a fresh feminist perspective on how we came to date the ways we do This isn t a guide to getting the guy There are no ridiculous rules to follow Instead Weigel helps us understand how looking for love shapes who we are and hopefully leads us closer to the happy ending that dating promises

Speaking of Love: The Love Dialogue in Italian and French Renaissance Literature Reinier Leushuis,2017-03-27 Re evaluating the dialogue s place in the literary landscape of the Italian and French Renaissance Speaking of Love presents the love dialogue at the intersection of a revival of the form and the period s philosophies of love and desire Between 1540 and 1580 authors such as Speroni Tullia d Aragona the Venetian poligrafi Tyard Le Caron Pasquier Taillemont Marguerite de Navarre and Louise Lab feature interlocutors not only deliberating on love but imitating the experience of love in their dynamics of speaking These love dialogues allow early modern ideologies and discourses of love to be imitated by the reader and rival lyric poetry in conveying amorous experience validating dialogue as an authentic literary form rather than a tool of philosophical thinking

*Love in the Post-Reconceptualist Era of Curriculum Work* Allan Michel Jales Coutinho,2023-03-08 By employing the autobiographical method of currere and bifocalization this book sheds light on the significance of love and the ethics of caregiving as means to transform curriculum studies into a post reconceptualist and collective endeavor Advancing an understanding of curriculum as a collective public moral enterprise it critically asks whether we can build a world where love is not negotiated but only proliferated Through the creation of short and interconnected autobiographical narratives about the meanings of love the author provides pivotal insights for curricularists who labor in conflicting and paradoxical contexts As such the book seeks to demonstrate how the labor of love fortification may be accomplished in a world of agonistic antagonistic and competitive becoming s Highlighting the role of caregiving this book questions the role of evaluations in post reconceptualization and provides insights for educators and policymakers on how to promote actualization and reconciliation in schools in contexts across the global north and south Engaging with a long scholarly tradition that ultimately seeks to understand the meanings of love in our lives and in our work supporting the historization of the field of curriculum and with an international focus this book will appeal to scholars and students with interests in curriculum studies and curriculum theory

*The Laws of Love P.* Goodrich,2006-10-30 Your guest at dinner kisses you What does it mean Where does it lead Does kissing necessarily imply more and if so how much These and similar questions of amorous ethics and erotic disquisition are central to our everyday intimate public lives and they are the lost object of the law of love the lex amatoria collated and presented here

Discovering Sexuality in Dostoevsky Susanne Fusso, 2008-01-29 Most discussions of sexuality in the work of Dostoevsky have been framed in Freudian terms But Dostoevsky himself wrote about sexuality from a decidedly pre Freudian perspective By looking at the views of human sexual development that were available in Dostoevsky s time and that he an avid reader and observer of his own social context absorbed and reacted to Susanne Fusso gives us a new way of understanding a critical element in the writing of one of Russia s literary masters Beyond discovering Dostoevsky s own views and representations of sexuality as a reflection of his culture and his time Fusso also explores his artistic treatment of how children and adolescents discover sexuality as part of their growth Some of the topics Fusso considers are Dostoevsky s search for an appropriate artistic language for sexuality a young narrator s experimentation with homoerotic desire and unconventional narrative in A Raw Youth and Dostoevsky s approach to a young man s sexual development in A Raw Youth and The Brothers Karamazov She also explores his complex treatment of a child s secret sexuality in his account of the Kroneberg child abuse case in A Writer s Diary and his conception of the ideal family a type of family that appears in his works mainly by negative example Focusing mainly on sexual practices considered deviant in Dostoevsky s time both because these are the practices that his young characters confront and because they offer the most intriguing interpretive problems Fusso decodes the author s texts and their social contexts In doing so she highlights one thread in the intricate thematic weave of Dostoevsky s novels and newly illuminates his artistic process
