The Ladies Of Maverick Growing Up In East Boston:

The Ladies of Maverick Peter Giannini,2004 This story is about strong determined ladies raising their children in what was once a nice housing development and area of Boston and watching the place slowly turn into a hell hole of violence drugs and despair Single widowed divorced mothers who shared friendships laughter sorrow and poverty trying to keep their families together and alive families suffering and addictions some which even lead to murder still these ladies stayed strong against the elements and ravages of time how they fought to stay and keep this development of this part of the city which they called home for so long the housing project they called home it was the many their world and refuge and safety behind the brick walls they would finally be forced out and would leave as old ladies tired and sad **Maverick Project and**

Growing Up in the Fifties Andrea Landry,2022-06-03 This book is a nostalgic trip back to how life was in the 1950s especially for a low income budgeted family living within a veterans housing project in East Boston Massachusetts Household life and its perceptions and observations are seen through the eyes of the youngest female member of the family The observations are mostly humorous The years of personal growth and remembrances happen between the ages of two to ten in these stories Her tenth year on the planet involved a cataclysmic change to the family dynamics I think you will find yourself bonding with her as she copes with the inevitability of mortality She loses a parent Her tale is told as a collection of short stories and reflects life in East Boston which to this day is still a community of immigrant families Each story contains a bit of humor and a bit of pathos as you follow this innocent but funny child through her emotional growth spurts and her sometimes intuitive thought processes about the adults surrounding her How they cope with her their budget and their world makes for interesting reading She is a reflection of her times and her experiences She is someone you will get to know and like as she has a voice worth listening to **City of Neighborhoods** Anthony Bak Buccitelli,2016-04-20 Reveals that

FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING TALENTED AND DEEPLY FLAWED FAMILY Boston Herald
 Laurence Leamer was granted unheralded access to private Kennedy papers and he interviewed family and old friends many of whom had never been interviewed before for this incredible portrait of the women in America's royal family From Bridget Murphy the foremother who touched shore at East Boston in 1849 to the intelligent independent Kennedy women of today Laurence Leamer tells their unforgettable stories Here are the private thoughts of Kathleen the flirtatious debutante in prewar England the truth behind Joe Kennedy's insistence that his mildly retarded daughter Rosemary be lobotomized the real story behind Joan and Ted's whirlwind romance Jackie's desire for a divorce from JFK in the 1950s Pat Lawford's disastrous Hollywood marriage how Caroline discovered her cousin David's death by overdose and more Tough enough to withstand the unimaginable these Kennedy women soldier on in the name of their extraordinary family and what they believe is right MASTERFUL AN ENDLESSLY FASCINATING READ A wealth of beautifully rendered social detail at times reading like a realist novel by Edith Wharton A page turner from start to finish The Dallas Morning News **Accustomed to Her Face** Axel Nissen, 2016-08-26 Drawing on historical documents and newspaper reports this book provides a fascinating portrait of a diverse group of character actresses who left their stamp on Hollywood from the early sound era through the 1960s The lives of 35 actresses are explored in detail Some are familiar Margaret Hamilton starred in dozens of films before and after her signature role as the Wicked Witch in The Wizard of Oz Una Merkel nearly died when her mother committed suicide in 1945 Others are nearly forgotten Maude Eburne owed her career to a spectacular fall on the Broadway stage in 1914 Greta Meyer who played the quintessential German maid came to Hollywood after years in New York's Yiddish theater though she wasn't Jewish Annual Report of the Woman's Board of Missions Woman's Board of Missions, 1878 **Getting Ahead** Silvia Dominguez, 2013-12 Honorable Mention 2014 Distinguished Contribution to Research Award presented by the Latina o Sociology Section of the American Sociological Association Getting Ahead tells the compelling stories of Latin American immigrant women living in public housing in two Boston area neighborhoods Silvia Dominguez argues that these immigrant women parlay social ties that provide support and leverage to develop networks and achieve social positioning to get ahead Through a rich ethnographic account and in depth interviews the strong voices of these women demonstrate how they successfully negotiate the world and achieve social mobility through their own individual agency skillfully navigating both constraints and opportunities Dominguez makes it clear that many immigrant women are able to develop the social support needed for a rich social life and leverage ties that open options for them to develop their social and human capital However she also shows that factors such as neighborhood and domestic violence and the unavailability of social services leave many women without the ability to strategize towards social mobility Ultimately Dominguez makes important local and international policy recommendations on issue ranging from public housing to world labor visas demonstrating how policy can help to improve the lives of these and other low income people Difficult Men Brett Martin, 2014-07-29 The 10th
