All in the Downs Shirley Collins, 2018-06-26 A memoir from one of Britain's legendary singers, folklorists, and music historians. A legendary singer, folklorist, and music historian Shirley Collins has been an integral part of the folk music revival for more than sixty years. In her new memoir *All in the Downs*, Collins tells the story of that lifelong relationship with English folksong, a dedication to artistic integrity that has guided her through the triumphs and tragedies of her life. *All in the Downs* combines elements of memoir from her working-class origins in wartime Hastings to the bright lights of the 1950s folk revival in London, alongside reflections on the role traditional music and the English landscape have played in shaping her vision. From formative field recordings made with Alan Lomax in the United States to the crowning glories recorded with her sister Dolly on the Sussex Downs, she writes of the obstacles that led to her withdrawal from the spotlight and the redemption of a new artistic flourishing that continues today with her unexpected return to recording in 2016. Through it all, Shirley Collins has been guided and supported by three vital and inseparable loves: traditional English song, the people, and landscape of her native Sussex, and an unwavering sense of artistic integrity. *All in the Downs* pays tribute to these passions and, in doing so, illustrates a way of life as old as England that has all but vanished from this land. Generously illustrated with rare archival material. *The Gentleman's Magazine, and Historical Review*, 1968. **A Friendly Arrangement** Christine Warner, 2015-10-26 What happens when your plus one becomes the one? Holly Haggerty and Roth Esterly are two besties with everything in common: they're neighbors, career-driven, and commitment phobes. Tired of always being set up on dates by well-meaning friends and family, they take matters into their own hands: they will be the other's plus one. A little friendly arrangement between friends. Easy until a steamy night where they cross the line. But that's okay; they'll add an addendum: one that includes a little action between the sheets, on top of the sheets, and without the sheets. But there are rules. Dating and sex are exclusive until one of them decides to terminate the agreement. No slumber parties. And if either party becomes emotionally involved, they will break things off with no hard feelings. When unexpected news changes their plans and turns their fun arrangement into something more serious, Holly and Roth must come to terms with what's more important: what they thought they wanted or what they really need. Each title in the *Friends First* series can be enjoyed out of order. Book 1: *A Friendly Engagement*. Book 2: *A Friendly Arrangement*. Book 3: *A Friendly Flirtation*. **The history of Sir Charles Grandison. In a series of letters published from the originals, by the editor of Pamela and Clarissa. In seven volumes. By Samuel Richardson** Samuel Richardson, 1762. **A Simple Story** Elizabeth Inchbald, Mrs. Inchbald, 1822. Webster's Royal red book; or, Court and fashionable register Webster A. and co, 1847. **The Novels of Samuel Richardson, Esq. Viz. Pamela, Clarissa Harlowe, and Sir Charles Grandison.
