## **The Lake At The End Of The World:**

The Lake Simon Mallon, 2008-12-03 The story revolves around the protection of the Sacred Lake Stonehenge the unique World Heritage Site also provides a constant theme The reason for the Henge s existence is explained together with its purpose construction and preservation Importantly this book offers an alternative to present day thinking which suggests that Stonehenge itself was the premier religious object of the ancients it was not it was a shrine dedicated to the worship of the Sacred Lake The position of the Lake is all important its western edge is the Clifton Downs in Bristol it stretched 40 miles to the city of Salisbury in the east It is bounded on its northern edge by the Cotswold Hills and its southern boundary is formed by the impressive Mendip Hills in Somerset The Lake was very large covering more than six hundred square miles but also special it is a hot water lake and notably the largest lake by far in Europe *Armageddon Is 40 Billion +/- Years from Now, Wwiii, and the Lake of Fire.* Stanley O. often passed over prophecy passages that glut the Bible where the unchosen condemned have their condemnation reversed by the GOD of infinite love at the Eschaton **Jesus Christ Is Almighty God and Salvation from the Lake of Fire.**

**The Chinese Kafka Part 2** Mark Obama Ndesandjo, 2020-07-28 This book is the second of a series of essays inspired by the poems of the Tang Poet Li Shangyin 813 858 AD and includes many insightful observations on the author's personal multicultural journey through America Asia and Africa The bilingual book also includes the author's beautiful Chinese

calligraphy and a groundbreaking analysis on the relevance of poetry to the existential dislocations of our modern era it is an excellent resource for students of English and Chinese as well as those interested in exploring other cultures Li Shangyin is one of the most fascinating of poets and this book includes historical background on the poet as well as introductory and explanatory notes by the translator For over 1200 years scholars have attempted to understand let alone translate Li Shangyin s poems At least four different schools of thought have developed Firstly his poems are reflections on political patrons and a failed career Secondly they are thinly veiled political satires of the Court and political factions Thirdly they are stories of actual affairs with Court ladies and Taoist priestesses Finally they are admirable vehicles of mystery and beauty My interpretations include elements of all the above but are also a synthesis of sentiments the poet s as Mark sees him and his own of which music is a core part This is particularly appropriate with Li Shangyin His poetry is a labyrinth of passionate images almost musical in sound and sequencing They are at once ebullient sad loving hateful spiteful sneering and religious a cornucopia of musical words that sing across the ages
