The Land Of Look Behind Prose And Poetry:

The Land of Look Behind Michelle Cliff, 1985 Sensuous spare language exploring color race and love in the Third World from the author's Jamaican perspective On the Very Edge Ian Kinane, 2025-01-15 On the Very Edge Bidentities in Michelle Cliff s Fiction uses the life and work of bisexual biracial and bicultural author Michelle Cliff 1946 2016 to develop an entirely new approach to intersectional cultural race and gender sexuality studies that prioritizes bi ness as a methodological tool The book focuses not simply on bisexuality biracialism or biculturalism as isolated identity concepts rather it explores the very nature of these intersectional identity categories as configured by Cliff The text therefore represents a reclamation of bi identity in Cliff's work as a much broader cultural and not just sexual or racial category arguing that Cliff's spaces and or stages of bi ness are in themselves significant in understanding contemporary global identity politics as well as in navigating complex and often damaging identity constructs Michelle Cliff partnered with poet Adrienne Rich and passing as white had an often invisible sexuality and cultural identity Yet her acclaimed work Abeng No Telephone to Heaven Bodies of Water If I Could Write This in Fire Free Enterprise and others demonstrates the intersections between bisexuality biracialism and biculturalism in often profound ways Drawing on original research interviews diaries editorials and other correspondences On the Very Edge will have far reaching implications in the understanding of complex Caribbean identity The Daughter's Return Caroline Rody, 2001 The politics and intersectional race gender and sexuality studies at large Daughter's Return offers a close analysis of an emerging genre in African American and Caribbean fiction produced by women writers who make imaginative returns to their ancestral pasts Considering some of the defining texts of contemporary fiction Toni Morrison s Beloved Jean Rhys s Wide Sargasso Sea and Michelle Cliff s No Telephone to Heaven Rody discusses their common inclusion of a daughter who returns to the site of her people s founding trauma of slavery through memory or magic Rody treats these texts as allegorical expressions of the desire of writers newly emerging into cultural authority to reclaim their difficult inheritance and finds a counter plot of heroines encounters with women of other racial and ethnic groups running through these works Ethnic American Literature Emmanuel S. Victoria Arana, 2008 The Facts On File Companion to World Poetry 1900 to the Present is a comprehensive introduction to 20th and 21st century world poets and their most famous most distinctive and most influential poems Sappho Jonathan Goldberg, 2018 In Sappho Jonathan Goldberg takes as his model the fragmentary state in which this sublime poet s writing survives a set of compositional and theoretical resources for living and thinking in more fully erotic ways in the present and the future This book thus offers fragmentary commentary on disparate Sapphic works such as the comics of Alison Bechdel the paintings and cartoons of Leonardo da Vinci Robert Reid Pharr's Living as a Lesbian Madeleine de Scud ry s Histoire de Sapho John Donne s Sapho to Philaenis Todd Haynes and Patricia Highsmith s Carol Virginia Woolf's Orlando writings by Willa Cather and the paintings and writings of Simeon Solomon among other works Goldberg challenges readers to imagine and experience what Sarah Orne Jewett named the country of our friendship a love both exceedingly strange and compellingly familiar Just as Sappho s coinage bitter sweet describes eros as inextricably contradictory two things at once one thing after another each interrupting complicating each other the juxtapositions in this

book mean to continually call into question categories of identity and identification in the wake of a quintessential woman writer from Lesbos Over and over again Goldberg's Sappho fragments inquires into how race sexuality and gender cross each other The theoretical genius of Eve Kosofsky Sedgwick presides over this set of meditations and mediations on likeness and desire Rather than homogenizing its many subjects it invites the reader to explore and inhabit new transits within and through what Audre Lorde called the very house of difference With an Afterword After Party Sappho Meets Freud written by L O Aranye Fradenburg Joy The Places of History Doris Sommer, 1999 A compilation of essays exploring regionalism in Latin America which seek to fill historical gaps created by the reading of Latin American literature either through a totalizing view of a globalized culture or through universal formulae for reading offere Look Back Harder Allen Curnow, 2013-10-01 The collected critical writings of one of New Zealand's major poets and critics covering half a century of his work Of the thirty eight items reviews essays lectures interviews and letters included his controversial introductions to his anthologies of New Zealand verse are the best known There are also incisive essays on Curnow's New Zealand contemporaries and on writers from further afield such as Olson and Thomas For students of English literature particularly of New Zealand The Oxford Companion to Twentieth-century Literature in English Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors The Columbia Guide to the Latin American Novel Since 1945 Raymond L.
