The Lands Between:

The Land between Two Rivers Tom Sleigh, 2018-02-06 Essays on the urgency of our global refugee crisis and our capacity as artists and citizens to confront it Tom Sleigh describes himself donning a flak jacket and helmet working as a journalist inside militarized war zones and refugee camps as a sort of Rambo Jr With self deprecation and empathetic humor these essays recount his experiences during several tours in Africa and in the Middle Eastern region once called Mesopotamia the land between two rivers Sleigh asks three central questions What did I see How could I write about it Why did I write about it The first essays in *The Land between Two Rivers* focus on the lives of refugees in Syria Lebanon Jordan Kenya Somalia and Iraq Under the conditions of military occupation famine and war their stories can be harrowing even desperate but they are also laced with wily humor and an undeluded hopefulness their lives having little to do with their depictions in mass media The second part of the book explores how writing might be capable of honoring the texture of these individuals experiences while remaining faithful to political emotions rather than political convictions Sleigh examines the works of Anna Akhmatova Mahmoud Darwish Ashur Etwebi David Jones Tomas Transtr mer and others as guiding spirits The final essays meditate on youth restlessness illness and Sleigh s motivations for writing his own experiences in order to move out into the world concluding with a beautiful remembrance of Sleigh s friendship with Seamus Heaney *Elden Ring: The lands between* Wil Murray, 2022 *History of the Arab Invasions: The Conquest of the Lands* Ahmad b. Yahya al-Baladhuri, 2022-11-17 Ahmad bin Yahya al Baladhuri s *History of the Arab Invasions* is perhaps the most important single source for the history of the great Arab conquests of the Middle East in the sixth and early seventh centuries The author who died in 892 was a historian working at court of the Abbasid caliphs in Baghdad He had access to a wide variety of earlier writings on the conquests and has preserved accounts that are not found anywhere else But the book is much more than a series of accounts of battles Baladhuri was very interested in the origins of the Islamic state and its institutions His work contains a wealth of information about government land holding and economic developments It is in short a key text for anyone interested in the formation of the Islamic world In this new modern translation fully annotated with a scholarly apparatus and commentary on the places events and individuals mentioned a key source on the Arab conquests is made available in English It will be essential reading for scholars and students of Islamic Studies and Middle East history **Land Between the Lakes Legislation and Small Watershed Projects** United States.
