The Last Days The Middle East And The Of Revelation:

The Last Days, the Middle East, and the Book of Revelation Chuck Smith, David Wimbish, 1991 **End Times, the Middle East, and the New World Order** Edward E. Hindson, 1991 Is global peace and prosperity really just around the corner or should people take a more critical look at world events and lofty political promises Ed Hindson analyzes the current world scene in light of Bible prophecy from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace **The Complete Idiot's Guide to the Last Days** Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In The Complete Idiot's Guide to the Last Days Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after Acknowledging the Last Days Frederick Guttman, It is an open secret that the Bilderberg Group the Council on Foreign Relations the Trilateral Commission and the Committee of 300 have spent decades shaping a New World Order in whose head they want to put a single man to lead the entire Earth an Earth that would be unified under a single military establishment a single flag a single currency already virtual and tightly controlled by satellite total control of the population thanks to technology Although all of this is already wielded from countless prophecies such as those in the book of Revelation it is not exactly a subject of predictions written on paper hundreds or thousands of years ago but rather an irrefutable fact that has been materializing for almost 100 years and which only has a few years to complete The fact that US military officers have implanted chips that the US Congress in plenary session has approved Barak Obama's law of the Social Security privatization law for a certain area of North Americans providing them with an implantable microprocessor in their right hand or that countries in South America are already organizing themselves for a close monetary and identification system by means of a nano chip is only the beginning for the global unification and totalitarian control of humanity The End... Prophetic Insights into the Last Days Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days **Revelations of the End** Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter

was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV

The Great Tribulation! Richard L. Guthrie,2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if theres a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice

The Apocalyptic Vision and the Neutering of Adventism George R. Knight,2008 The Seventh day Adventist Church was founded upon an apocalyptic message that needed to be preached to the entire world immediately and at any cost But does the church today preach that same message with the same urgency Has the Adventist Church become irrelevant because it has sought to be more relevant to the world Knight challenges us to go back to our roots to examine the prophecies that fueled the early Seventh day Adventists determination to evangelize the world

Satan full authority until his appointed days are over **Are These the Last Days?** Charles Schmitt,2014-07-01 The path of the righteous is like the first gleam of dawn shining ever brighter till the full light of day Proverbs 4 18 NKJV Solomon says in Proverbs 4 18 that we can expect an increase in enlightenment and an expansion of understanding as we approach the last days That is Charles P Schmitt s position as he presents a fresh scrutiny of Old and New Testament prophetic scriptures in the light of today s world events He traces not only the conflict between Israel and the Arab world but also their amazing last days promises of restoration At all times he underscores the primary backdrop for any Christian view of the last days worldwide evangelism before the end comes Are These the Last Days will graciously challenge your status quo understanding of end time prophecies and enable you as Solomon said to see this subject in an ever brighter light *THE TRUTH OF THE ORIGIN OF THE UNIVERSE* Sabrie Soloman,2024-06-12 God s Signature in DNA The Rapture The Great Tribulation Armageddon War World War III The concept of God s signature in DNA is a fascinating topic that explores the intricate design and complexity of the human genome Many creationists and religious believers see the complexity and precision of DNA as evidence of an intelligent designer or creator pointing to the existence of a higher power The idea that DNA contains a signature of God s handiwork is a theme often discussed in religious and philosophical circles highlighting the wonder and mystery of life itself Moving on to the topics of the Rapture the Great Tribulation and the Armageddon War these concepts are deeply embedded in Christian eschatology or the study of end times The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon believed by the author to be World War III These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books movies and religious teachings While interpretations of these events may vary among different Christian denominations the underlying message of hope redemption and faith in the face of adversity remains a central theme
