The Last Eight Days:

The End... Prophetic Insights into the Last Days Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days

The Last Israelis Noah Beck, 2013-05-06 Apocalyptic military fiction with a powerful message Iran has nukes Israel's leader is hospitalized History is now up to 35 Israelis Ethnically diverse Ideologically divided On a nuclear armed submarine WHAT CRITICS SAY Gripping chilling brings to mind Crimson Tide The Hunt For Red October and U 571 You'll feel like you're on the sub with the world on the brink of disaster No matter what political side you're on it's a must read Don't start reading this novel if you have somewhere to be You'll probably miss your appointment Alan Zeitlin in NY Blueprint The novel paints a frightening picture of what the world could look like after Iran goes nuclear Most of the Armageddon thriller takes place aboard the Dolphin submarine Israel's second strike answer to the existential threat posed by a nuclear Iran The crew reflects the diversity of Israeli society There are descendants of Holocaust survivors native Arabic speakers one Christian and one Druze the son of Persian Jews who escaped from the Iranian revolution of 1979 an Ethiopian who crossed Sudan by foot as a child to reach Israel religious Jews the atheist son of a Soviet Refusenik a submariner who holds right wing views and another who secretly attends leftist rallies and a homosexual whose parents were Vietnamese refugees saved by Israel in 1977 How do all of these people get along during months away from home living in close quarters facing deadly threats at sea Their voyage has enough naval action and drama to rival the suspense of a Tom Clancy novel But the book also features riveting debates about war ethics geopolitics religion and the protection of minorities The author does an excellent job of giving voice to every political and philosophical perspective Karen Brown in Israel Today The book provides a picture of Israelis at work in one of the most claustrophobic and intense environments in the world weeks at a time in a submerged submarine in hostile waters The novel is a great read on a subject as current as the headlines and poses a situation where none of the choices are good or easy Richard Baehr in American Thinker The story has enough page turning naval action to qualify as a military and geopolitical novel about a Middle East Armageddon but it also entertains as a psychological thriller The submarine space is a social experiment more intense and compelling than any reality show And the novel has a deeply philosophical element that provides all of the deliberative suspense of Twelve Angry Men Max Shaw in Israel National News MORE DETAILS In this gripping doomsday thriller ripped from the headlines Iran has threatened to destroy Israel while developing the nuclear capability to do so Struck by a medical emergency Israel's Prime Minister falls unconscious just as military action is needed to stop Iran's nukes History is now up to 35 Israelis aboard the Dolphin a powerful submarine armed with nuclear tipped ballistic missiles Ship unity is crucial to mission success but deep conflicts rise to the surface among crewmembers who are ethnically diverse and ideologically divided Tensions boil further from the rivalry between the

captain and his deputy and a childhood tragedy that quietly haunts a younger sailor whose psychological wounds could explode at any time On their suspenseful voyage to Armageddon the submariners must confront each other and pulse pounding threats at sea before facing an unthinkable dilemma It will be the toughest decision of their lives and it will determine the fate of the Middle East

Kafka's the Metamorphosis John P. Anderson, 2016-03-01 Fresh from the magic kingdom of Joyce's *Finnegans Wake* this non academic author ushers us line by line into the shadows of Kafka's spectral bug theater He walks the bug back along hints left by Kafka as to what happened the night before why that night was different from all other nights In this reading father Samsa betrayed his first born and needy son Gregor by declaring him unwelcome at home even though Gregor was paying the rent Stimulated by this betrayal of blood by blood the twilight zone opened momentarily allowing father's brutality to transform the son into a giant bug Three months later the combined protective forces of Easter and Passover are necessary to finally put the creature to rest Easter for his spirit and Passover for his bug body Using then current formulas from psychoanalysis as to hysterical conversion and from psychodynamics as to the human energy system this explanation locates in a story often found mysterious a coherent path to the lack of memory by Gregor of these events and the reason for his hard back and soft underbelly As the author sees it irony fuels the title because the metamorphosis changed Gregor's exterior but not his inner nature his indestructible love for family while just the opposite happened to his convenience loving family And irony fuels the results because father Samsa got just the lazy and dependent son he criticized Gregor for being in wanting to stay at home The author traces how Kafka uses verb tense and

aspect psycho narration as well as changes in the narrator s voice to make meaning in this drama theater In the last act and after Gregor is disposed of by a Mary Magdalene suggesting charwoman the parents prepare their last child their daughter for departure which will leave them in complete convenience For her they have saved a nest egg that will help supply a nest for her family eggs a family nest denied to their first born

A Rational Illustration of the Book of Common Prayer of the Church of England, etc Charles WHEATLY,1852 **A Rational Illustration of the Book of Common Prayer of the Church of England** Charles Wheatly,1848 A Rational Illustration of the Book of Common Prayer of the Church of England: Being the Substance of Every Thing Liturgical in Bishop Sparrow, Mr. L'Estrange, Dr. Comber, Dr. Nichols, and All Former Ritualists, Commentators, Or Others, Upon the Same Subject Charles Wheatly,1819 **Chloe Sims - The Only Way is Up - My Story** Chloe Sims,2013-07-01 Say the name Chloe Sims and most people think of the hugely entertaining bubbly and glamorous Essex girl on the hit ITV show The Only Way Is Essex But there is more to Chloe than viewers see on the TV and the drama doesn t stop when the camera stops rolling Just two years ago Chloe was a single mum struggling to make ends meet doing a string of jobs she hated and wondering if she would ever find happiness Then at the beginning of 2011 after joining the cast of TOWIE she won the hearts of the nation with her funny ways and frank confessions Since joining the cast her life which has been anything but ordinary is now a whirlwind of glitzy parties and jet set holidays but life hasn t always dealt Chloe a good hand Her story is one of triumph over adversity with plenty of laughs along the way From her turbulent childhood where she was raised by a neighbour after her mother abandoned her to battling with bullies and struggling with an eating disorder to the magical moment when she met the man of her dreams But even the path to true love hasn t run smoothly for Chloe and she has experienced plenty of ups and downs along the way Finally things are on the up and the future is looking bright for the 31 year old Essex girl In Chloe Sims The Only Way Is Up Chloe finally sets the record straight speaking frankly about the plastic surgery she s had done what it was really like working for Playboy France and how she coped with her rollercoaster ride to stardom with plenty of shocking revelations and secrets she s never told until now This is her story and it s not like any other you will read The Last Human Zack Jordan,2020-03-24 The last human in the universe must battle unfathomable alien intelligences and confront the truth about humanity in this ambitious galaxy spanning debut A good old fashioned space opera in a thoroughly fresh package Andy Weir author of The Martian Big ideas and believable science amid a roller coaster ride of aliens AI superintelligence and the future of humanity Dennis E Taylor author of We Are Legion Most days Sarya doesn t feel like the most terrifying creature in the galaxy Most days she s got other things on her mind Like hiding her identity among the hundreds of alien species roaming the corridors of Watertower Station Or making sure her adoptive mother doesn t casually eviscerate one of their neighbors Again And most days she can almost accept that she ll never know the truth that she ll never know why humanity was deemed too dangerous to exist Or whether she really is impossibly the lone survivor of a species destroyed a millennium ago That is until an

encounter with a bounty hunter and a miles long kinetic projectile leaves her life and her perspective shattered Thrown into the universe at the helm of a stolen ship with the dubious assistance of a rebellious spacesuit an android death enthusiast on his sixtieth lifetime and a ball of fluff with an IQ in the thousands Sarya begins to uncover an impossible truth What if humanity s death and her own existence are simply two moves in a demented cosmic game one played out by vast alien intellects Stranger still what if these mad gods are offering Sarya a seat at their table and a second chance for humanity The Last Human is a sneakily brilliant gleefully oddball space opera debut a masterful play on perspective intelligence and free will wrapped in a rollicking journey through a strange and crowded galaxy
