Accelerating Human Evolution by Theosophical Initiation Yves Mühlematter, 2022-12-19 The main subjects of analysis in the present book are the stages of initiation in the grand scheme of Theosophical evolution These initiatory steps are connected to an idea of evolutionary self development by means of a set of virtues that are relative to the individual's position on the path of evolution The central thesis is that these stages were translated from the Hindu tradition to the Theosophical tradition through multifaceted hybridization processes in which several Indian members of the Theosophical Society partook Starting with Annie Besant's early Theosophy the stages of initiation are traced through Blavatsky's work to Manilal Dvivedi and T Subba Row both Indian members of the Theosophical Society and then on to the San tana Dharma Text Books In 1898 the English Theosophist Annie Besant and the Indian Theosophist Bhagavan Das together founded the Central Hindu College Benares which became the nucleus around which the Benares Hindu University was instituted in 1915 In this context the San tana Dharma Text Books were published M hlematter shows that the stages of initiation were the blueprint for Annie Besant's pedagogy which she implemented in the Central Hindu College in Benares In doing so he succeeds in making intelligible how esoteric knowledge was transferred to public institutions and how a broader public could be reached as a result The dissertation has been awarded the ESSWE PhD Thesis prize 2022 by the European Society for the Study of Western Esotericism

Bullough,2001-06-13 Edited by a noted scholar of health and sexuality Encyclopedia of Birth Control is a complete report on the historical development and efficacy of contraceptive practices around the world both past and present Without contraception a healthy sexually active woman will give birth to about 15 children and over her life span spend most of her reproductive years either pregnant or nursing a newborn infant So controlling fertility has preoccupied women and often their husbands since at least 1000 B C In this comprehensive reference readers can explore the history of birth control from a variety of perspectives anthropological biological economic feminist

medical political and psychological From wet nurses to chastity belts from animal dung contraceptives to the Dalkon Shield readers will learn how women have attempted birth control contraception and abortion throughout history and throughout the world Readers will also discover why opposition to birth control was so fierce early in the 20th century that many American women and men were jailed for disseminating information on avoiding pregnancy and why family planning remains hotly controversial almost a century later *The Dictionary of Magic and Mystery* Melusine Draco,2012-04-16 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic *Recovering Nineteenth-Century Women Interpreters of the Bible* Christiana de Groot,Marion Ann Taylor,2018-04-25 Women have been thoughtful readers and interpreters of scripture throughout the ages yet the usual history of biblical interpretation includes few women s voices To introduce readers to this untapped source for the history of biblical interpretation this volume presents forgotten works from the nineteenth century written by women including Grace Aguilar Florence Nightingale and Harriet Beecher Stowe among others from various faith backgrounds countries and social classes engaging contemporary biblical scholarship Due to their exclusion from the academy women s interpretive writings addressed primarily a nonscholarly audience and were written in a variety of genres novels and poetry catechisms manuals for Bible study and commentaries on the books of the Bible To recover these nineteenth century women interpreters of the Bible each essay in this volume locates a female author in her historical ecclesiastical and interpretive context focusing on particular biblical passages to clarify an author s contributions as well as to explore how her reading of the text was shaped by her experience as a woman **Divine Feminine** Joy Dixon,2003-05-01 Honorable Mention for the Wallace K Ferguson Prize from the Canadian Historical Association Chosen by Choice Magazine as an Outstanding Academic Title of 2003 In 1891 newspapers all over the world carried reports of the death of H P Blavatsky the mysterious Russian woman who was the spiritual founder of the Theosophical Society With the help of the equally mysterious Mahatmas who were her teachers Blavatsky claimed to have brought the ancient wisdom of the East to the rescue of a materialistic West In England Blavatsky s earliest followers were mostly men but a generation later the Theosophical Society was dominated by women and theosophy had become a crucial part of feminist political culture *Divine Feminine* is the first full length study of the relationship between alternative or esoteric spirituality and the feminist movement in England Historian Joy Dixon examines the Theosophical Society s claims that women and the East were the repositories of spiritual forces which English men had forfeited in their scramble for material and imperial power Theosophists produced arguments that became key tools in many feminist campaigns Many women of the Theosophical Society became suffragists to promote the spiritualizing of politics attempting to create a political role for women as a way to sacralize the public sphere Dixon also shows that

theosophy provides much of the framework and the vocabulary for today's New Age movement. Many of the assumptions about class, race, and gender which marked the emergence of esoteric religions at the end of the nineteenth century continue to shape alternative spiritualities today.

[The White Woman's Other Burden](#) Kumari Jayawardena, 2014-04-23 In *The White Woman's Other Burden* Kumari Jayawardena re-evaluates the Western women who lived and worked in South Asia during the period of British rule. She tells the stories of many well-known women including Katherine Mayo, Helena Blavatsky, Annie Besant, Madeleine Slade, and Mirra Richard and highlights the stories of dozens of women whose names have been forgotten today. In the course of this telling, Jayawardena raises the issues of race, class, and gender which are part of current debates among feminists throughout the world.

[Vanguard of the New Age](#) Gillian McCann, 2012 The story of the small new age religious group that introduced Victorian Toronto to Eastern thought and theology, vegetarianism, reincarnation, cremation, and the pacifism of Mohandas Gandhi.

[The Elder Brother](#) Gregory Tillett, 2016-01-29 A leading figure in the Theosophical Society, Leadbeater was a prolific author writing on subjects ranging from Buddhism, Masonic history, and the origins of Christianity through to the power of thought and the fourth dimension. Leadbeater was also the force behind Annie Besant, the discoverer and educator of Krishnamurti, and became Presiding Bishop of the Liberal Catholic Church. For all his influence, Charles Leadbeater remains largely unknown as a man. This biography, first published in 1982, dispels many of the mysteries surrounding his life, and Leadbeater emerges as neither evil degenerate nor infallible saint, but as a complex and eccentric adventurer into the realm of the occult. This title will be of particular interest to students of history and theology.

Her writings excited such luminaries as W. B. Yeats, James Joyce, Wassily Kandinsky, Piet Mondrian, and Gustav Mahler. Here are first-hand accounts of her colorful life by family, friends, and enemies.

Handbook of the Theosophical Current, 2013-01-08 Few religious currents have been as influential as the Theosophical. Yet few currents have been so under-researched, and the Brill Handbook of the Theosophical Current thus represents pioneering research. A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview. A second, substantial section covers most significant religions to emerge in the wake of the Theosophical Society: Anthroposophy, the Point Loma community, the I AM religious activity, the Summit Lighthouse Movement, the New Age, theosophical UFO religions, and numerous others. Finally, the interaction of the Theosophical current with contemporary culture, including gender relations, art, popular fiction, historiography, and science, are discussed at length.
