The Last Gospel:

The Authorship of the Fourth Gospel and the Apocalypse Marion Wesley Baker, 1895 **The Fifth Gospel** Mario Pomilio, 2014-07-10 Mario Pomilio was a novelist editor and literary critic releasing 8 novels a book of short stories and various books of criticism over his career The Fifth Gospel is Pomilio's most important work it marks the culmination of the complex thematic evolution of his work as a whole It was originally published in Italy in 1975 and won the Napoli Prize and the Maria Cristina Prize Umberto C Mariani and Alice J Mariani have translated it into English for the first time While for Mario Pomilio the essential condition of man in our time is markedly our solitude our alienation and our sense of having lost control of both the physical universe and of human history even as science and technology assure us we are gaining it The Fifth Gospel tells the story of a search for a message of hope and salvation that is presented as realizable Although the search almost always ends tragically it is constantly reborn if its failure can be cause for alienation and despair its constant revival throughout the centuries is a harbinger of hope **Calvary and the Mass** Archbishop Fulton J. Sheen, 2007 The Ceremonies of the Roman Rite Described Adrian Fortescue, J.B. O'Connell, Alcuin Reid, 2009-01-29 This volume is an important revised and updated ceremonial manual published to guide and assist in celebrating the tradition liturgy today This book a classic guide to the celebration of the Church's ancient Gregorian Rite in the English speaking world will serve priests and seminarians of the twenty first century just as it served so many priests of the twentieth in their pastoral mission which now necessarily includes familiarity with and openness to the use of the older form of the sacred liturgy I happily commend it to the clergy seminarians and laity as a reliable tool for the preparation and celebration of the liturgical rites authoritatively granted by the Holy Father in Summorum Pontificum I congratulate the distinguished liturgical scholar Dr Alcuin Reid for his care and precision in ensuring that this revised edition conforms to the latest authoritative decisions with regard to these liturgical rites As Pope Benedict XVI wrote in his letter which accompanied Summorum Pontificum In the history of the liturgy there is growth and progress but no rupture The Gregorian Rite is today a living liturgical rite which will continue its progress without losing any of its riches handed on in tradition For as the Holy Father continued What earlier generations held as sacred remains sacred and great for us too and it cannot be all of a sudden entirely forbidden or even considered harmful It behoves all of us to preserve the riches which have developed in the Church's faith and prayer and to give them their proper place May this book assist the Church of today and of tomorrow in realising Pope Benedict's vision Dar o Cardinal Castrillon Hoya's President Pontifical Commission Ecclesia Dei This fifteenth edition revised in the light of Pope Benedict XVI's reforms and expanded and corrected throughout includes a new chapter on the music of solemn and sung Mass as well as clarifications of questions that have arisen in the light of recent experience It gives descriptions of the rites of pontifical solemn and low Mass Vespers the liturgical year including Holy Week the sacraments Benediction of the Blessed Sacrament funerals episcopal visitation and more *Thoughts on the Holy Gospels. How They Came to be in*

Manner and Form as They are Francis William Upham, 2025-08-11 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Gospel Truth* Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am
