**Smile Pretty and Say Jesus** Hunter James,2008-09-01 In March 1987 the Reverend Jerry Falwell and the national news media found themselves in rare agreement Jim Bakker the charismatic cash hungry televangelist was an accomplished sinner but a rather unconvincing penitent The story had just broken that Bakker had fornicated with Jessica Hahn a New York church secretary and then tried to pay her off with 256 000 Once exposed Bakker weepily begged Falwell to help him steer his ministry through the scandal Falwell assented but then demanded Bakker s resignation when he learned that the Hahn affair only hinted at Bakker s profligacy The fight was on and those stale jokes were born again PTL the acronym of Bakker s 172 million enterprise stood not for Praise the Lord or People That Love but for Pass the Loot or Pay the Lady Veteran journalist Hunter James covered the story for the Atlanta Journal Constitution from the first report of Bakker s double life until eight chaotic months later when the unwelcome Falwell left the bankrupt ministry in South Carolina and went home for good to his own church in Lynchburg Virginia *Smile Pretty and Say Jesus* is James s wry personal account of the struggle for control of the PTL enterprise which included a satellite network and a 2 300 acre theme park Heritage USA James s book is valuable for the important distinctions it makes between Pentecostals and Baptist fundamentalists and for its explanation of the prosperity gospel Bakker and his wife Tammy Faye professed Combining straightforward reportage with human interest sketches and profiles the book is also the most insightful to date on the attitudes and motives of the principal figures involved in the debacle

*From Aldersgate to Azusa Street* Henry H. Knight,2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God s mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D

**America-Lite** David Gelernter, 2013-10-14 America Lite where we all live is just like America only turned into an amusement park or a video game or a supersized Pinkberry where the past and future are blank and there is only a big NOW How did we come to expect no virtue and so much cynicism from our culture our leaders and each other In this refreshingly judgmental book David Gelernter connects the historical dots to reveal a stealth revolution carried out by post religious globalist intellectuals who by and large can't run their own universities or scholarly fields but are very sure they can run you These imperial academics have deployed their students into the top echelon of professions once monopolized by staid and steady WASPs In this simple way they have installed themselves as the new designated drivers of American culture Imperial academics live in a world of theory they preach disdain for mere facts and for old fashioned fact based judgments like true or false Schoolchildren are routinely taught theories about history instead of actual history they learn for example that all nations are equally nice except for America which is nearly always nasty With academic experts to do our thinking for us we've politely shut up and let second raters take the wheel In fact we have handed the keys to the star pupil and teacher's pet of the post religious globalist intellectuals whose election to the presidency of the United States constituted the ultimate global group hug How do we finally face the truth and get back into the driver's seat America Lite ends with a one point plan
