The Last King Of Poland And His Contemporaries:

The Last King of Poland and His Contemporaries Robert Nisbet Bain, 1909 The Last King of Poland and His Contemporaries R. Nisbet Bain, 2017-05-09 A sketch of the life of Stanislaus Poniatowski throughout which are vividly pictured the influences that caused the downfall of Poland among them class prejudice religious controversy useless Diets and great waste and extravagance We heartily commend Mr Bain's book which is the most sympathetic and authentic on Poland since that published some years ago by George Brandes The Athenaeum Mr Nisbet Bain has written for us this mournful chapter in the history of a decadent nation with a brilliancy and point not common excepting in the writings of French historians The tale is as exciting as a romance and reflects much of that realistic description of manners good and bad which we find in the works of Balzac Literary Review **The Last King of Poland and His Contemporaries** Robert Nisbet Bain, 1912 The Last King of Poland [i.e. Stanislaus II.] and His Contemporaries. Nisbet Bain, 2015-07-08 Excerpt from The Last King of Poland and His Contemporaries The present volume aims at presenting a picture of the social moral and intellectual condition of Polish society at the moment when the Polish State was about to disappear for ever from the map of Europe The narrative will also it is hoped go far to explain how it was that Poland originally the most chivalrous high spirited and promising of Republics had by the end of the eighteenth century become a nuisance to her neighbours and an obstacle to the development of her own people The central figure in this sinister yet engrossing tableau of a decadent nation dancing carelessly towards its doom is naturally the last King of Poland There are few more pathetic figures in modern history than Stanislaus Poniatowski whose dazzling vices and barren virtues were so typical of the age in which he lived that Age of Enlightenment which prophesied the Millennium and precipitated the Revolution In him we find an idealist whose principles were as lofty as his practice was contemptible a reformer who meant excellently well yet invariably sacrificed honour to expediency a statesman

by instinct whose political outlook was always clear whose conclusions were always correct but alas his moral flabbiness had forfeited beforehand the confidence of those whom he could have guided and might have saved And this Prince Charming eighteenth century to the very tips of his fingers lived in an environment which judging by outward appearances might very well have been the later Middle Ages Anyhow it was more eastern than western About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Contemporary Review ,1910 **Historical Dictionary of Poland, 966-1945** Halina Lerski,1996-01-19 The first authoritative comprehensive historical dictionary of Poland in English this volume includes over 2 000 entries on people events places and terms important to Poland s history from 966 to 1945 Entries include English and Polish language bibliographic sources The student of Polish history seeking specific information on a person or event in medieval times the troubled era leading to the late 18th century partitions of Poland and the Polish nationalist struggles before 1919 reborn Poland in the interwar years or the trauma of World War II will be amply rewarded by the accurate concise information provided in this unique historical dictionary Each of the alphabetically arranged entries is followed by pertinent bibliographic sources in both English and Polish languages A list of abbreviations a note on the Polish alphabet and a series of historical maps precede the entries Helpful cross references are provided throughout the text and in the index A general bibliography precedes the index After five years of work George Lerski completed the original manuscript in 1992 shortly before his untimely death The special editing subsequently undertaken preparatory to publication has remained faithful to the original work its concept organization and purpose **Poland's Last King and English Culture** Richard Butterwick,1998 In Poland s Last King Richard Butterwick reassesses the achievement of Poland s most controversial king He shows how Stanislaw August s radical plans for constitutional reform and the renewal of Polish culture were profoundly influenced by his admiration of England and examines the successes and limitations of the Polish Enlightenment **A History of Europe, 1500-1815** James Edward Gillespie,1928 **Henry VIII and his contemporaries** Benjamin Bensley,1844 **The Cambridge History of Poland** , Gustavus III and His Contemporaries Robert Nisbet Bain,1894 Franz Liszt, His Circle, and His Elusive Oratorio Xavier Jon Puslowski,2014-09-09 Many scholars concert pianists and classical music fans deem Franz Liszt the preeminent pianist of the nineteenth century In Franz Liszt His Circle and His Elusive Oratorio Xavier Puslowski engages in a detailed study of the links between Liszt his contemporaries and his milieu Drawing on Liszt s famous Saint Stanislas Oratorio as a focal point Puslowski brings together the history of the Romantic period in classical music and

the intersection of key figures and historical events in his story of Liszt's achievements told from a distinctly historicist perspective Readers get a new view of Liszt as Puslowski brings together a remarkable cast of characters Friend and rival Frederic Chopin stands tall as a symbol of Poland's fight for independence the remarkable French people's poet Pierre Beranger makes his entrance virtuoso violinist Niccolo Paganini takes center stage later in Liszt's life the indefatigable French composer Hector Berlioz and the domineering Richard Wagner assume their roles in this musical drama and finally two of Poland's premier violinists Karol Lipinski and Henryk Wieniawski stand side by side with Russian pianist Anton Rubinstein as the story of Liszt's influence reaches across national boundaries and time itself to make its presence felt
