Gossip of the Century Mrs. Wm. Pitt Byrne, 1892 **The Real Toscanini** Cesare Civetta, 2012-09-01 Amadeus Lauded by Verdi Debussy and other music legends the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium But as he did so he acquired a reputation as something of a tyrant who unleashed an explosive temper at musicians if rehearsals did not meet his expectations In *The Real Toscanini* Cesare Civetta presents an intriguing collection of vivid one of a kind interviews with artists who performed with Toscanini A portrait of the inner workings of the maestro emerges through these extensive conversations conducted by the author over a period of 20 years together with other firsthand recollections These accounts clarify Toscanini's philosophy musical style and techniques They depict a man tormented by inner demons of anger and depression which were easily triggered by his frustration at being unable to produce the musical ideal in his mind's ear Toscanini is also revealed as a vehement anti-Fascist and an unequivocal opponent of totalitarianism and racism he defied Mussolini and publically opposed Hitler The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic in solidarity with Jewish refugee musicians Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century

From Johnson's Kids to Lemonade Opera Victoria Etnier Villamil, 2004 American baritone Lawrence Tibbett created an overnight sensation at the Metropolitan Opera in 1925 when the audience stopped the performance of Falstaff to honor their compatriot for his exceptional talent Tibbett's now legendary curtain call foreshadowed a startling new era for classically trained native singers who rarely received the public recognition or respect given to their European colleagues In this absorbing work Victoria Etnier Villamil chronicles the extraordinary time from 1935 to 1950 when American artists who felt intensely inferior to foreign performers journeyed from being unappreciated in their own country to standing without apology on stages at home and abroad Drawing on exhaustive primary research and extensive interviews Villamil tells the remarkable story of a generation of American opera singers whose profession image and art were forever altered by the upheavals of World War II as well as sweeping cultural and technological changes The author's in depth look at these breakthrough years explores such defining factors as Edward Johnson's drive to Americanize the Met in his first seasons as general manager the impact of the microphone on singers and singing styles and the importance of radio and motion pictures in introducing classical music voices to wider audiences Villamil also considers how travel restrictions imposed on European artists during the war unlocked opportunities for American artists and the role of political and Jewish refugees in enriching

music education and training in this country In addition the author discusses thoroughly the founding of the New York City Opera the rise of regional and smaller opera companies including the enterprising and popular Lemonade Opera and advancements for African American classical singers Brimming with entertaining anecdotes and colorful figures both famous and little remembered the fascinating book concludes with an examination of this crucial period s legacy for the American classical music scene in the 1950s and beyond From Johnson s Kids to Lemonade Opera contains an invaluable appendix that provides biographical sketches of the over 250 opera and radio singers as well as art song specialists featured in this illuminating study
