Spin This! Bill Press, 2002-01-03 We re all familiar with the warning Don t believe everything you see or hear Bill Press the popular co host of CNN s Crossfire will have you wondering whether you should believe anything at all Spin intentional manipulation of the truth is everywhere It s in the White House in the courtrooms in headlines and advertising slogans Even couples on dates not to mention book jackets are guilty of spin Now analyst Bill Press freeze frames the culture of spin to investigate what exactly spin is who does it and why and its impact on American society as a whole Depending upon who is doing it spinning can mean anything from portraying a difficult situation in the best possible light to completely disregarding the facts with the intent of averting embarrassment or scandal Using examples drawn from recent history the Clinton presidency the Florida recount and the Bush White House Press first probes spin s favorite haunt politics In addition to surveying the incarnations of spin in the fields of journalism law and advertising Press also chews on the spin of sex and dating a word that has become the very embodiment of spin Perhaps surprisingly however Press argues that spin isn t all bad and that without it the harsh truths of our times might be too tough to swallow With the same keen sense of humor that helped make CNN s Crossfire television s premier debate show and the limited run of The Spin Room so popular Press turns the tables on the prime purveyors of spin called spin doctors noting some of their biggest guffaws and blunders As Press notes it has become abundantly clear that the twenty first century beginning as it has with a president who was spun into office will be a fertile stomping ground for spin *Merriam-Webster's Dictionary of Allusions* Elizabeth Webber, Mike Feinsilber, 1999 A guide to references commonly used in speech and writing Explains more than 900 allusions Entries include examples from todays leading media A must for serious readers language lovers and ESL students **Grand Theft Jesus** Robert S. McElvaine, 2009 We re mad as Heaven and we re not going to take it anymore declares historian Robert McElvaine in this passionate and often hilarious rallying cry for sincere Jesus followers He lets us know that the extreme right wing won t be allowed to speak for all Christians any longer This polemic blends outrage and humor to expose the televangelists and the leaders of megachurches as the people Jesus warned us about The religion McElvaine calls Christianity Lite promises Be saved without sacrifice or good works Run by a crew of politicians megachurch preachers televangelists hypocrites and snake oil salesmen it has hijacked true Christianity and distorted it into something Jesus wouldn t recognize a religion that advocates war and intolerance values money above charity preaches hatred instead of brotherhood and promises true believers the keys to the gates of the kingdom of God and to the bank From publisher description Anti-American Terrorism and the Middle East Barry Rubin, Judith Colp Rubin, 2002-09-12 After the September 11 2001 terrorist attacks on the World Trade Center and the Pentagon a stunned public asked How could this happen Why did the attackers do what they did What did they hope to accomplish This wasn t the first battle in a conflict that has included bombings of U S embassies and planes the Iran hostage crisis and kidnappings or shootings of American citizens This unique volume sets out to answer

these questions using the unfiltered words of the terrorists themselves Over many decades radical forces in the Middle East have changed and evolved yet their basic outlook and anti Western views have remained remarkably consistent Barry Rubin and Judith Colp Rubin have assembled nearly one hundred key documents charting the evolution of radical Middle East movements their anti Americanism and Western policy response The buildup to the battle between a world superpower and Middle East revolutionaries is brought dramatically to life Among the documents included are the charters of such organizations as Hizballah Hamas and World Islamic Front speeches by Syrian president Hafiz al Asad and former Iraqi president Saddam Hussein al Qa ida recruitment materials and terrorist training manuals The book also shows and analyzes the often conflicting and deeply conflicted responses to September 11 by journalists clerics and activists in the Arab world Supplemented by an annotated chronology a glossary of terms and sections that put each selection in context this comprehensive reference serves not only as essential historical background to the ongoing aftermath of the September 11 attacks but more generally as an invaluable framework for understanding a long term continuing conflict that has caused many crises for the United States

Battistella, 2020 History of insults aimed at United States presidents from George Washington to Donald Trump Revisiting National Security Prabhakaran Paleri, 2022-05-10 This book examines the evolving concept of national security and how human systems could be governed in an ever turbulent and dynamic world It takes a revised look at the concept of national security previously researched and identified by the author based on the present context but with a futuristic appreciation of governance primarily national but extended to global perspectives in the modern and dynamically shifting world The book emphasises the need for governments to maximise national security for the well being of their people The concept of national security is taken as the key subject of national governance which is extendable to global governance wherein national security is not only the physical or military security alone but also the overall well being of the people of a nation This book explores how national security can be achieved by balancing its various elements in different terrains where the game of governance is played in national as well as global perspective It also presents additional findings and observations to show that the approach is transformative redefining the key knowledge paradigms This book is relevant for policy makers students researchers and academics who wish to explore and rethink their approach towards governing the human systems whose well being is the responsibility of governments *Last Refuge of*

Scoundrels Paul Lussier,2001-02-08 Early critical acclaim from Pulitzer Prize winning scholars and best selling authors Studs Terkel Jonathan Kozol Robert Coles Howard Zinn John Ferling and Winston Groom Last Refuge of Scoundrels is the bottom up story of the American Revolution brought to life vividly compellingly suggestively It s a story that gives America its past in a manner worthy of comparison to Tolstoy s effort to understand and render history and does so in a manner that s rich rambunctious exploding with vitality and bubbling with wild humor A delightfully irreverent look at the Revolution it tells the story of John Lawrence a naive young merchant s son who finds love and his life s purpose in Deborah Simpson a spy working in collusion with George Washington to lead An unsung army of ordinary Americans against the self interested Founding Fathers as much as the bumbling Brits Last Refuge of Scoundrels weaves meticulous research and fantastical fable into a poetic tale that s at once a rollicking romp a haunting love story and a revisionist historical epic **Death of a Boytoy**

Real Prophecy Unveiled Joseph J. Adamson,2002-01-23 Religious hypocrites wage holy war while the faithful wait expecting a Messiah Christ Buddha Avatar Imam Mahdi to come Meanwhile however prophecy is being fulfilled in a way they did not expect As Jesus foretold the present day messenger of God was first rejected by his generation but will now finally guide you unto all truth and show you things to come As John wrote he is of your brethren and has the testimony of Jesus As Isaiah wrote he will deliver judgment but unlike Jesus he will not make his voice heard in public It is his pen that will finally prove mightier than the sword because the weapons of his warfare are not carnal but mighty through God for dealing with the forces of hate greed hypocrisy intolerance and injustice Here finally is a voice with real authority telling the truth that

will expose the ignorance and hypocrisy of the fundamentalist Religious Right make the greedy rich ashamed bring low the proud and militant and enable the humble and meek to inherit the earth A New Reformation will enable all religions to serve their true purpose and enable all governments to finally be of for and by the people Then rather than be divided by rivalry for the throne we will all share the throne as equal joint heirs to God s New Kingdom which shall be set up on the earth and last forever never to be destroyed That is what real prophecy foretells and thus it shall be
