The Last Resort Success And Failure In Campaigns For Casinos:

The Last Resort John Dombrink, William Norman Thompson, 1990 An examination of the ten major campaigns to legalize casino gambling in America

Gambling in America William N. Thompson, 2015-02-10 This one volume reference provides a comprehensive overview of gambling in the Americas examining the history morality market growth and economics of the gaming industry This is the most complete encyclopedia of gambling covering the industry in great detail including the players the games the venues and the surrounding social issues Updates in this second edition reveal the impact of technological advances on the games the growing legislation regulating the industry and the expanding global footprint of gambling across the world from Manitoba to Montana Author William N Thompson postulates on the impact of gambling on local communities and shows how the U S gaming industry is tied to the global market most notably gaming expansion in Macau and Singapore The book addresses the various forms of gaming such as casino based and online gambling sports betting and lotteries Additional content examines the social issue of problem and pathological gambling and addresses the rehabilitation programs available for the mitigation and treatment of gambling problems *Tourism, Recreation, and Sustainability* Stephen F. McCool, R. Neil Moisey, 2001 This book presents analytical frameworks for examining the concept of sustainability in tourism and recreation within the context of sustainable development It also includes numerous case studies in a variety of cultural political and environmental contexts Contributors include well known authorities from North America Europe and Australia

Jokers Wild Thomas Barker, Marjie T. Britz, 2000-09-30 A history and analysis of gambling in the United States from bingo to state lotteries to Indian gaming and the rise of Las Vegas this book reveals how we have become a nation of gamblers and what the future holds for the gambling industry From the colonial era to the present Americans have enjoyed a love hate relationship with gambling It is a pastime that has gone from sin to recreational activity and an industry that has moved from control by organized crime to management by executives with MBAs While gaming is one of the nation s fastest growing industries Barker and Britz predict that this process will slow or stop in the next century as the result of market saturation and unknown social and economic effects which loom over the glitz glamour and action Providing the latest information on the nature and extent of legalized gambling in the United States this study examines why we gamble and how the relative impact of the activity differs in certain segments of the population Legalized gambling is at best problematic behavior with both good and bad consequences State sponsored gambling both in the form of monopolistic lotteries and in tribal casinos does to some extent call into question the proper role of the state or tribal nation in promoting a potentially harmful activity among its citizens States that have looked to legalized gambling as a source of economic salvation may soon experience difficulties as gambling venues multiply and unregulated Internet gambling becomes more widespread

Gambling, Space, and Time Pauliina Raento, David G. Schwartz, 2016-02-28 The eight essays in *Gambling Space and Time* use a global and interdisciplinary approach to examine two significant areas of gambling studies that have

not been widely explored the ever changing boundaries that divide and organize gambling spaces and the cultures perceptions and emotions related to gambling The contributors represent a variety of disciplines history geography sociology anthropology political science and law The essays consider such topics as the impact of technological advances on gambling activities the role of the nation state in the gambling industry and the ways that cultural and moral values influence the availability of gambling and the behavior of gamblers The case studies offer rich new insights into a gambling industry that is both a global phenomenon and a powerful engine of local change

Entertainment Industry Economics Harold L. Vogel, 2020-07-23 Already among the most important sectors of the US economy the entertainment and media industries are continuing to grow worldwide Fully updated the tenth edition of Entertainment Industry Economics is the definitive reference on the economics of film music television advertising broadcasting cable casinos publishing arts and culture performing arts toys and games sports and theme parks Its synthesis of a vast amount of data provides an up to date guide to the economics financing accounting production marketing and history of these sectors in the United States and countries across the globe This edition offers new material on streaming services the relationship between demographics and entertainment spending electromagnetic spectrum for broadcasters and revised FASB accounting rules for film and television Financial analysts and investors economists industry executives accountants lawyers regulators and journalists as well as students preparing to join these professionals will benefit from this invaluable source

[Gambling Cultures](#) Jan McMillen, 2005-12-20 First published in 1996 Routledge is an imprint of Taylor Francis an informa company

Global Gambling Sytze F. Kingma, 2009-09-10 While most research has examined the legal economic and psychological sides of gambling this innovative collection offers a wide range of cultural perspectives on gambling organizations Contributors not only examine the global influence of commercial gambling but also demonstrate how the local qualities of gambling organizations remain unique

Gambling for Profit Kerry G. E. Chambers, 2011-11-19 Over the past forty years Western governments have increasingly liberalized and deregulated gambling which is now used to deliver state revenues and commercial profit in many jurisdictions Gambling for Profit is a cross national history of the emergence of legal gambling including lotteries gaming machines and casinos Gambling for Profit is unique among studies of gambling s twentieth century growth thanks to Kerry G E Chambers s strong analytical framework investigating not only the political aspects of legalization but also the sociocultural factors that influence popular adoption Chambers provides a useful chronological examination of the electronic gambling phenomenon as well as comparative data on dates of introduction and revenues across twenty three countries Gambling for Profit provides a dynamic model to explore the legalization of gambling and stresses the inadequacy of seeking universal explanations for gambling s entrenchment within particular cultures

The Indirect Effect of Direct Legislation Frederick J. Boehmke, 2005 To demonstrate this the author models the incentives that the initiative process creates for interests to organize and for how they communicate their preferences to policy makers

Interests that represent a broader range of the public are found to gain the most from the option to propose initiatives implying that the set of organized interests in initiative states should reflect this advantage Ironically an effect of direct legislation is to potentially increase the effectiveness of special interest lobbying in state legislatures in a sense the opposite of the direct control that gives direct legislation its theoretical appeal Yet the clear effect is one of empowering voices that traditionally had very little effect in the legislative process

The International Encyclopedia of Gambling William N. Thompson, 2009-12-23 The most complete single source collection on gambling ever assembled gives readers access to the best possible information about one of the fastest growing industries in the world The International Encyclopedia of Gambling seeks to explain the gambling phenomenon through an in depth exploration of gambling operations around the world More than 300 entries reflect the global stretch of the industry as they examine games venues players and other leading figures legal issues the history of gaming and the literature on the subject The work is enhanced with a dozen contributed articles on gambling related topics including commentaries on the history and growth of Las Vegas and a description of major law cases involving gambling Coverage includes Internet gambling and a section incorporating reviews of more than 50 films about gambling

Resort Spatiality Zelmarie Cantillon, 2018-10-16 This book theorises resorts as distinct kinds of urban milieux capturing the complexity of destinations famous for sun sand and sex mass tourism Drawing on qualitative field research participant observation interviews and photography the book discusses examples from six international resort destinations spread across four continents the Gold Coast Australia Phuket and Koh Phangan Thailand Canc n Mexico Miami USA and Ibiza Spain The book reviews the material and symbolic production of lived spaces in these resorts considering the mutually constitutive mutually transformative relations between their spatial formations built environments popular imaginaries representations narratives of identity rhythms and the experiences and practices of both tourists and locals In doing so it argues for more nuanced ways of conceptualising tourism globalisation and spatiality reimagining how these phenomena unfold in lived spaces Taking a cultural studies approach to urban analysis the book demonstrates the value in embracing complexity fluidity partiality and uncertainty It will be of interest to students and researchers of tourism geography cultural studies development studies anthropology and sociology

The Oxford Handbook of Crime and Public Policy Michael H. Tonry, 2011 This handbook offers a comprehensive examination of crimes as public policy subjects to provide an authoritative overview of current knowledge about the nature scale and effects of diverse forms of criminal behaviour and of efforts to prevent and control them

[The Big Gamble](#) Denise von Herrmann, 2002-12-30 While the gambling industry is indisputably large and powerful it has received little attention from political scientists Utilizing a variety of perspectives and techniques von Herrmann analyzes gambling s recent expansion finding public attitudes have been shaped both by government policies and the industry s attempts to create a family friendly image Von Herrmann examines the politics of state and federal gambling policy particularly policies relating to casinos and

state lotteries She considers gambling policy from a variety of perspectives including the politics of adoption the state and federal governments role in policy formation and implementation and the broad economic and social impact questions related to gambling The inclusion of several state case studies provides insight into the largely successful reshaping of Americans image of gambling from seedy sinful and corrupt behavior to a benign pleasurable entertainment experience which ultimately has led to widespread availability While many have asserted that gambling policy fits well within the political models of morality politics von Herrmann challenges this notion Noting that true consensus has not been achieved in the area of gambling policy she shows how supporters economic arguments and opponents moral concerns have effectively bifurcated the current debates on gambling policy gambling is now viewed by many in two distinct and separate bodies of thought As she observes the challenge for the future of gambling policy is to find ways to bridge the gap Of particular interest to scholars students and other researchers involved with public policy particularly that relating to gambling

The Labor of Luck Jeff Sallaz, 2009-10-02 In this gripping ethnography Jeffrey J Sallaz goes behind the scenes of the global casino industry to investigate the radically different worlds of work and leisure he found in identically designed casinos in the United States and South Africa Seamlessly weaving political and economic history with his own personal experience Sallaz provides a riveting account of two years spent working among both countries casino dealers pit bosses and politicians While the popular imagination sees the Nevada casino as a hedonistic world of consumption The Labor of Luck shows that the Vegas experience is made possible only through a variety of systems regulating labor capital and consumers and that because of these complex dynamics the Vegas casino cannot be seamlessly picked up and replicated elsewhere Sallaz s fresh and path breaking approach reveals how neo liberal versus post colonial forms of governance produce divergent worlds at the tables and how politics profits and pleasure have come together to shape everyday life in the new economy

Digital Gambling César Albarrán-Torres, 2018-03-28 This book develops the concept of gamble play media describing how some gambling and gambling like practices are increasingly mediated by digital technologies Digital gambling brings gambling closer to the practices and features of videogames as audio visual simulations structure users experiences By studying digital gambling from media studies videogame and cultural studies approaches this book offers a new critical perspective on the issues raised by computer mediated gambling while expanding our perspective on what media and gambling are In particular it critically analyses terrestrial mobile and online slot machines online poker and stock trading apps through a selection of case studies

American Indians and the Law N. Bruce Duthu, 2008-01-31 A perfect introduction to a vital subject very few Americans understand the constitutional status of American Indians Few American s know that Indian tribes have a legal status unique among America s distinct racial and ethnic groups they are sovereign governments who engage in relations with Congress This peculiar arrangement has led to frequent legal and political disputes indeed the history of American Indians and American law has been one of clashing values and sometimes uneasy compromise In this clear sighted account

American Indian scholar N Bruce Duthu explains the landmark cases in Indian law of the past two centuries Exploring subjects as diverse as jurisdictional authority control of environmental resources and the regulations that allow the operation of gambling casinos American Indians and the Law gives us an accessible entry point into a vital facet of Indian history

Feeling Lucky Paul Franke,2023-07-13 Monte Carlo and Las Vegas have become synonymous with casino gambling Both destinations featured it as part of a broad variety of leisure and consumption opportunities that normalized games of chance and created emotional atmospheres that supported the hedonistic aspects of gambling Urban spaces and architecture were carefully designed to enable a rapid growth of the casino industry and produce experiences on previous unimaginable scale Feeling Lucky is a making of story about cities which acquired a strange and captivating allure of mystery around them It is more than a mere descriptive account however Combining urban history the history of consumption and sociological approaches it presents a compelling comparative history of Monte Carlo and the Las Vegas Strip between the 1860s and 1970s Paul Franke takes the reader on a journey from arriving at the cities through the carefully planned urban environments and into the famous casinos The analysis follows the paths contemporary gamblers would have taken right to the gambling tables and to the shifting gambling practices across a century Franke shows that casino entrepreneurs succeeded in producing and selling gambling experiences by controlling spaces adapt leisure practices and appeal to specific markets Gamblers on the other hand regarded Monte Carlo and Las Vegas as places to engage in games of chance that would allow them to preserve their political cultural and moral identities *From Steel to Slots* Chloe E. Taft,2016-04-06 Bethlehem PA was synonymous with steel But after the factories closed the city bet its future on casino gambling Chloe Taft describes a city struggling to make sense of the ways global capitalism transforms jobs landscapes and identities While residents often have few cards to play the shape economic progress takes is not inevitable **Sin No More** John Dombink,Daniel Hillyard,2007-11 Sin No More offers a vivid examination of some of the most morally and politically disputed issues of our time abortion gay rights assisted suicide stem cell research and legalized gambling These are moral values issues all of which are hotly sometimes violently contested in America The authors cover these issues in depth looking at the nature of efforts to initiate reforms to define constituencies to mobilize resources to frame debates and to shape public opinion all in an effort to achieve social change create or re write legislation Of the issues under scrutiny only legalized gambling has managed to achieve widespread acceptance despite moral qualms from some Publisher description

This is likewise one of the factors by obtaining the soft documents of this **The Last Resort Success And Failure In Campaigns For Casinos** by online. You might not require more era to spend to go to the ebook instigation as with ease as search for them. In some cases, you likewise pull off not discover the proclamation The Last Resort Success And Failure In Campaigns For Casinos that you are looking for. It will unquestionably squander the time.

However below, taking into consideration you visit this web page, it will be appropriately completely easy to acquire as with ease as download lead The Last Resort Success And Failure In Campaigns For Casinos

It will not give a positive response many get older as we run by before. You can accomplish it even if do its stuff something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we offer below as without difficulty as review **The Last Resort Success And Failure In Campaigns For Casinos** what you afterward to read!
