unique account of one of Alaska's most iconic and important industries *Dictionary of American Naval Fighting Ships*, 1959 The French Assault on American Shipping, 1793-1813 Greg H. Williams, 2009-10-21 During the French Revolutionary and Napoleonic eras France was plagued by war and crop failures and was desperately in need of supplies. Legally and illegally French privateers and cruisers took cargo from merchant vessels of every nation perhaps the United States more than any other. At least 6,479 U.S. claims involving more than 2,300 vessels were filed and these claims give a close approximation of American goods lost to the French. The three main sections of this reference book present a comprehensive accounting of the losses arranged by ship descriptions of court cases involving important questions of law and the disposition of claims. Also included are a glossary, a list of geographical locations mentioned in the text and an overview of relevant acts of Congress, proclamations, treaties and foreign decrees. **The Rotarian**, 1939-06 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide.
