contemporary innovators of his era Ezra Pound James Joyce Ford Madox Ford and Louis Zukofsky among others Williams made a radical break with the modernist tradition by seeking to invent an entirely fresh and singularly American poetic whose subject matter derived from the everyday lives of the citizens and poor immigrant communities of northern New Jersey His poems mirrored both the conflicts of his own life and the convulsions that afflicted American society two world wars a rampaging flu pandemic and the Great Depression Leibowitz's biography offers a compelling description of the work that inspired a seminal controversial movement in American verse as well as a rounded portrait of a complicated man pugnacious and kindly ambitious and insecure self critical and imaginative Something Urgent I Have to Say to You is both a long overdue assessment of a major American writer and an entertaining examination of the twentieth century avant garde art and poetry scene with its memorable cast of eccentric pioneers including Marcel Duchamp Man Ray Marianne Moore and Gertrude Stein

**Many Gods and Many Voices** Louis Lohr Martz, 1998 Martz English emeritus Yale argues that the prophetic tradition with its focus on the evils of the present as well as the possibilities of redemption should be understood as an integral component of both the texture and contents of works by such modernist poets as Ezra Pound William Carlos Williams T S Eliot and others Biblical prophecy he asserts is an important precedent for the tone and subject matter of these poets works Annotation copyrighted by Book News Inc Portland OR

Pound/Williams Ezra Pound, 1996 Ezra Pound and William Carlos Williams two towering figures in American poetry began their lifelong and often contentious friendship as students at the University of Pennsylvania Their correspondence ran from 1907 the year Pound took up his virtually permanent residence in Europe until Williams death in 1963 The letters contribute an unparalleled documentary record of modern culture a wealth of information about the lives and works of the two poets themselves the literary and political movements in which they became involved and the impact of public events upon the arts the activities of other writers and artists and the world of small presses and little magazines that nourished the growth of modernism Pound Williams contains 169 letters selected from the poets surviving correspondence each letter reproduced in full and accompanied by explanatory notes Historical introductions place each of the live chronological groupings of letters into context and a biographical glossary identifies persons prominently mentioned

**The Stamp of Class** Gary Lenhart, 2006 The Stamp of Class is about reading poetry with an awareness of class and its themes While numerous works have taken up the question of race and gender as they relate to literary creation no single book has probed the interplay between class and American poetry The nine essays in Gary Lenhart's book deal with the question of class as reflected in the works of Tracie Morris Tillie Olsen Melvin Tolson William Carlos Williams Walt Whitman

and others The work is rooted in the author's own experiences as a working class poet and teacher and is the result of more than a decade of exploration
