## **The Kib Years:**

*One Hundred Years of Kibbutz Life* Michal Palgi, Shulamit Reinharz, 2014-01-31 *One Hundred Years of Kibbutz Life* shows that the kibbutz thrives and describes changes that have occurred within Israel's kibbutz community. The kibbutz population has increased in terms of demography and capital, a point frequently overlooked in debates regarding viability. Like the kibbutz founders who established a society grounded in certain principles and meeting certain goals, kibbutz newcomers seek to build an idealistic society with specific social and economic arrangements. The years 1909-2009 marked a century of kibbutz life: one hundred years of achievements, challenges, and creative changes. The impact of kibbutzim on Israeli society has been substantial but is now waning. While kibbutzim have become less relevant in Israeli policy and politics, they are increasingly engaged in questions of environmentalism, education, and profitable industries. Contributors discuss the hopes, goals, frustrations, and disappointments of the kibbutz movement. They also examine reform efforts intended to revitalize the institution and reinforce fading kibbutz ideals. Such solutions are not always popular among kibbutz members, but they demonstrate that the kibbutz is an adaptive and flexible social organization. The various studies presented in this book clarify the dynamism of the kibbutz institution and raise questions about the ways in which residential arrangements throughout the world manage change.

**A Kid's Guide to Asian American History** Valerie Petrillo, 2007-05-28 Hands-on activities, games, and crafts introduce children to the diversity of Asian American cultures and teach them about the people, experiences, and events that have shaped Asian American history. This book is broken down into sections covering American descendants from various Asian countries including China, Japan, Korea, Philippines, India, Vietnam, Laos, and Cambodia. Topics include the history of immigration from Asian countries, important events in U.S. history, sidebars on famous Asian Americans, language lessons, and activities that highlight arts, games, food, clothing, unique celebrations, and folklore. Kids can paint a calligraphy banner, practice Tai Chi, fold an origami dog or cat, build a Japanese rock garden, construct a Korean kite, cook bibingka, and create a chalk rangoli. A time line, glossary, and recommendations for Web sites, books, movies, and museums round out this multicultural guide.

**40 Years in the Desert** Merlin Becskey, 2021 A decade after James Horrox's pioneering work *A Living Revolution: Anarchism in the Kibbutz Movement*, Merlin Becskey presents an engaging and well-written case study of a kibbutz trying to realize anarchist principles. Based on field research and interviews at kibbutz Samar located in Israel's far south, Becskey provides valuable insight into an unlikely project under unlikely circumstances. Gabriel Kuhn, editor and translator of *All Power to the Councils: A Documentary History of the German Revolution of 1918-1919*, *Liberating Society from the State*, and other writings by Erich M. Hsami, and *Revolution and Other Writings* by Gustav Landauer, in Samar communal organization and individual desire form a tense bond worked out every day. It may be the last refuge of the free spirit that animated the earliest Kibbutz groups where everything depends on people. Uri Gordon, author of *Anarchy Alive* and *Anarchy, State, and Revolution*.

*Kibbutzniks in the Diaspora* Naama Sabar, 2012-02-01 Under what circumstances would

**Our Hearts Invented a Place** Jo-Ann Mort,Gary Brenner,2018-09-05 We thought we were living in a society of the future showing how people can live together in a way that the human being is not a product of society where you have to put somebody down so that you are up Suddenly we find that people want to be more like outside and we are disappointed When people say to me We re so sorry to see what s going on in the kibbutzim because we are losing the most important thing that happened to the State of Israel I say to them Listen The government lost interest in the kibbutz movement and we had to find another way The State of Israel slowly but surely became a normal state and the pioneers finished their job We are living in a new era We have to make the adjustment from Our Hearts Invented a Place One of the grand social experiments of modern time the Israeli kibbutz is today in a state of flux Created initially to advance Zionism support national security and forge a new socialist communal model the kibbutzim no longer serve a clear purpose and are struggling financially In Our Hearts Invented a Place Jo Ann Mort and Gary Brenner describe how life on the kibbutz is changing as members seek to adapt to contemporary realities and prepare themselves for the future Throughout the authors allow the members often impassioned voices some disillusioned some optimistic some pragmatic to be heard The founders of the kibbutz had a dream an Israeli told the authors in one of many interviews they conducted between 2000 and 2002 which they fulfilled a hundred times The current generation he explains must alter that dream in order for it to survive After tracing the formidable challenges facing the kibbutzim today Mort and Brenner compare three distinct models of change as exemplified by three different communities The first Geshur Haziv decided to pursue privatization The second Hatzor is diversifying its economy while creating an extensive social safety net and a system of private wages with progressive taxation In the third instance Gan Shmuel is attempting to hold on to the traditional kibbutz model In closing the authors address the new style urban kibbutz Their book will provide readers with a deeper understanding of the kibbutz and of Israel itself during an era of dramatic social economic and political change
