Lee-Chua, Nerisa C. Fernandez, Michelle S. Alignay, 2017-11-01 In a groundbreaking study the authors draw from well known international studies and personal experiences and testimonials by Filipino subjects on why our children have totally different and distinct behaviors and values in response to modern technology **Working Mother** , 2003-11 The magazine that helps career moms balance their personal and professional lives *Growing Up with Divorce: Help Yr Child Avoid Immed* Neil Kalter, 1989-11-04 A comprehensive guide helping families overcome the trauma of divorce For many years Growing Up With Divorce has offered divorced parents transformative insight solace and practical guidance on how to help their children cope with the stresses caused by marital separation Every child is unique yet there are certain common reactions to the stresses of divorce anger a sense of divided loyalties lasting intimacy issues Dr Neil Kalter explains that for children divorce is not a single event but is comprised of a series of events that occur over many years Identifying three stages of divorce Dr Kalter cites the particular struggles associated with each stage and explains how gender as well as cognitive emotional and social

development also affect how children react Dispensing sage advice on everything from understanding and minimizing the anxieties that underlie various troublesome behaviors to smoothing out your child s transitions between her two households to incorporating a new spouse into your family Dr Kalter gives parents and the professionals who treat divorced families an indispensable guide to navigating the difficulties of divorce **United States Economist, and Dry Goods Reporter** ,1916

**Dreamers and Deceivers** Glenn Beck,2015-08-11 The new nonfiction from 1 bestselling author and popular radio and television host Glenn Beck *Smart Play Smart Toys* Stevanne Auerbach,2006-07 We ve all heard of IQ but do you know your child s PQ or Play Quotient A child s ability to play does more than provide for fund and diversion it is critical for his or her emotion and intellectual growth an teaches everything from social skills to analytical thinking For the developing mind of a child learning to play is paramount but is your child getting the most out of playtime Stevanne Auerbach Ph D more affectionately known as Dr Toy has dedicated a lifetime to the importance of play and gives you specific advice on which toys to buy and what kind of games to play to emplover your child s overall development You ll learn How to become your child s play Tutor How play can strengthen maturity levels and confidence The pros cons and facts of gender specific toys Guidance for the gifted and special needs child Plus practical advice on Evaluatin a toy s safety learn which toy manufacturers Dr Toy recommends Craft supplies you should always have on hand Dr Toy s 100 Best Children s Products And many more invaluable ways to make playtime a growing experience Depletion & Abundance Sharon Astyk,2008-09-01 Why are so few peak oil authors women There s been much debate about this and no one has yet arrived at a definitive answer But whatever the reason Sharon Astyk has established herself as a true rarity within the peak oil community by virtue of being a woman who has chosen to write about peak oil The perspective she offers is thus both uncommon and vital In Depletion and Abundance she shows how rewarding life on her New Home Front could be immeasurably improving our health nutrition sense of community and overall well being Chief among its benefits would be all the extra time that we d have She points out that people in medieval times worked far fewer hours than Americans do today and that most people in modern day peasant societies also work less hard than we do This along with Astyk s unique perspective as a woman a mother and a peak oil activist makes Depleiton and Abundance well worth a read The ring of authenticity to her writing will hook you while its relaxed style ineffable humor personal anecdotes and comforting touch will soothe your melancholy peaknik soul like a warm hand on the shoulder Reviewed by Frank Kaminski Energy Bulletin Sharon s introduction is pricelss in its succinct dead on analysis of collapse and is reason enough to buy and send this book to everyone you know who is partially or completely clueless about where we re headed When I realized that everything was going to change I was at first afraid Because I thought if my government or public policy or other choices weren t going to fix everything what could I possibly do What hope was there if I had to take care of myself if my community had to take care of itself But when I began looking for solutions that could be applied on the level of ordinary human lives that involved changes in perspectives and pulling

together the reclamation of abandoned ideas and the restoration of strong communities I began to feel hopeful even excited Because I realized that when large institutions cease to be powerful sometimes that means that people start being powerful again Depletion and Abundance is not a feel good book but it is intensely human compassionate supportive practical alarming enlivening and astonishingly accurate Reviewed by Carolyn Baker Carolynbaker.net Climate change peak oil and economic instability aren't just future social problems they jeopardize our homes and families right now Our once abundant food supply is being threatened by toxic chemical agriculture rising food prices and crop shortages brought on by climate change Funding for education and health care is strained to the limit and safe and affordable housing is disappearing Depletion and Abundance explains how we are living beyond our means with or without a peak oil climate change crisis and that either way we must learn to place our families and local communities at the center of our thinking once again The author presents strategies to create stronger homes better health and a richer family life and to live comfortably with an uncertain energy supply prepare children for a hotter lower energy less secure world survive and thrive in an economy in crisis and maintain a kitchen garden to supply basic food needs Most importantly readers will discover that depletion can lead to abundance and the anxiety of these uncertain times can be turned into a gift of hope and action An unusual family perspective on the topic this book will appeal to all those interested in securing a future for their children and grandchildren *Philippine Dreams* Perry Gamsby, Jamming the Classroom Ajay Heble, Jesse Stewart, 2023-10-12 Drawing on a mix of collaborative autoethnography secondary literature interviews with leading improvisers and personal anecdotal material Jamming the Classroom discusses the pedagogy of musical improvisation as a vehicle for teaching learning and enacting social justice Heble and Stewart write that to jam the classroom is to argue for a renewed understanding of improvisation as both a musical and a social practice to activate the knowledge and resources associated with improvisational practices in an expression of noncompliance with dominant orders of knowledge production and to recognize in the musical practices of aggrieved communities something far from the reaches of conventional forms of institutionalized power yet something equally powerful urgent and expansive With this definition of jamming the classroom in mind Heble and Stewart argue that even as improvisation gains recognition within mainstream institutions including classrooms in universities it needs to be understood as a critique of dominant institutionalized assumptions and epistemic orders Suggesting a closer consideration of why musical improvisation has been largely expunged from dominant models of pedagogical inquiry in both classrooms and communities this book asks what it means to theorize the pedagogy of improvised music in relation to public programs of action debate and critical practice *Making it Big* Barbara Isenberg, 1996 Susan Stroman the show's cast and crew had some very bad luck heading for Broadway with one of the most expensive high profile musicals in recent history In this authoritative insightful and readable journal we go backstage as the 10.3 million production is cast rewritten rehearsed and performed first in Detroit then in New York Doors are opened to high pressure rehearsals passionate advertising debates
