The Kings Mistresses:

The Kings' Mistresses Elizabeth C Goldsmith, 2012-04-03 The Mancini Sisters Marie and Hortense were born in Rome brought to the court of Louis XIV of France and strategically married off by their uncle Cardinal Mazarin to secure his political power base Such was the life of many young women of the age they had no independent status under the law and were entirely a part of their husband s property once married Marie and Hortense however had other ambitions in mind altogether Miserable in their marriages and determined to live independently they abandoned their husbands in secret and began lives of extraordinary daring on the run and in the public eye The beguiling sisters quickly won the affections of noblemen and kings alike Their flight became popular fodder for salon conversation and tabloids and was closely followed by seventeenth century European society The Countess of Grignan remarked that they were traveling like two heroines out of a novel Others gossiped that they were roaming the countryside in pursuit of wandering lovers Their scandalous behavior disguising themselves as men gambling and publicly disputing with their husbands served as more than just entertainment It sparked discussions across Europe concerning the legal rights of husbands over their wives Elizabeth Goldsmith s vibrant biography of the Mancini sisters drawn from personal papers of the players involved and the tabloids of the time illuminates the lives of two pioneering free spirits who were feminists long before the word existed *The King's Mistress* Rachel Leigh Smith, 2015-01-20 Book two of A yen s Legacy Freedom has a cost Can A yen pay it without losing his soul Liberation of the enslaved Lokmane begins with the king A yen and Fae agree to visit the Hidden a group of escaped Lokmane to protect his identity while the Shadows make their move with emancipation acts But he s not prepared for the prejudice rampant in the Hidden or their lack of patience for him And his new linked bodyguard is unstable to the point A yen fears for the young man s sanity Upon returning to Titan A yen is kidnapped and taken to the largest breeding farm in the galaxy This time he ll be himself even if it kills him His resolve to unite his people grows as he wonders if he ll live long enough to do it With A yen kidnapped Fae returns to the Lokmane homeworld seeking the final pieces of what happened two thousand years ago when they were conquered and enslaved Getting as far away from her father as possible is the only way to keep her from disappearing too Separated by light years A yen and Fae have to stand alone and fight for their right to live in freedom No matter the cost science fiction romance paranormal romance hero romance alien human romance *The Kings of France, Their Wives and Mistresses* ,1907 *The King's Mistress* Sandy Blair, 2012-06 The long way home could be the shortest road to ruin The king of Scotland is in a snit Which means Britt MacKinnon proud captain of the king s guard has an onerous task fetch Alexander s favorite paramour back to the royal bed now Never mind that the crown should be about the business of getting a legitimate heir Especially since England s Edward I would love nothing more than to seize an empty Scottish throne When the handsome soldier appears on her doorstep Geneen Armstrong has to think quickly Her twin lies abed in her cottage pregnant with the king s bastard If the barren queen learns the truth the foolish girl s life won t be worth a farthing

a manipulative woman who used her great beauty and sensuality to take advantage of an aging and increasingly senile king But who was the woman behind the scandal A cold hearted opportunist or someone fighting for her very survival Like most girls of her era Alice is taught obedience in all things At the age of fourteen she marries the man her father chooses for her dutifully accepting the cost of being torn from the family she holds so dear and losing the love of her mother forever Despite these heartbreaks Alice finds that merchant Janyn Perrers is a good and loving husband and the two settle into a happy life together Their bliss is short lived however unraveled the dark day a messenger appears at Alice s door and notifies her of Janyn s sudden disappearance In the wake of this tragedy Alice learns that her husband kept many dangerous secrets secrets that result in a price on her own head and that of her beloved daughter Her only chance to survive lies in the protection of King Edward and Queen Philippa but she therefore must live at court as a virtual prisoner When she is singled out by the king for more than just royal patronage the stakes are raised Disobeying Edward is not an option not when her family is at risk but the court is full of ambitious men and women many of whom will stop at nothing to see her fall from grace The whispers and gossip abound isolating Alice who finds unexpected solace in her love for the king Emma Campion paints a colorful and thrilling portrait of the court of Edward III with all of its extravagance scandalous love affairs political machinations and murder and the devastating results of being singled out by the royal family At the center of the storm is Alice surviving by her wits in this dangerous world where the choices are not always of her own making Emma Campion s dazzling novel shows that there is always another side to the story *The King's Mistress* Emma Campion,2011-05-24 History has not been kind to Alice Perrers the notorious mistress of King Edward III Campion paints a colorful and thrilling portrait of the court of Edward III with all of its extravagance scandalous love affairs political machinations and murder and the devastating results of being singled out by the royal family At the center of the storm is Alice surviving by her wits in this dangerous world where the choices are not always of her own making **Sex with Kings** Eleanor Herman,2004-06-29 Herman shares the scandalous truth about the illicit relationships of some of history s most powerful men and the women who slept with them to get to the top Madame Dubarry, the King's Mistress Jean de La Hire,1902 **The Lycan King's Mistress** Havilworth,2023-03-22 Elora a young werewolf and daughter of the Beta of Darwin Pack is forced into slavery together with her siblings when her father is betrayed and branded as a slaver by his own Alpha Her only goal is to find a way to clear her father s name and find a good home far away from their kingdom where her family could be together but a lot of enemies stand in her way Becoming the mistress of the Lycan king seemed a good way to get a step further in getting her revenge but it only exposed her to more dangerous enemies Rome King of the Lycans is heartbroken by the betrayal of his wife and is decidedly fed up with matters of the heart He is on a mission to ensure the new law he passed on slavery was being followed when he is bumped into by a female werewolf that steals his breath and commands his attention He finds out she s the daughter of a slaver and hopes to put distance between himself and the alluring woman but with the threat of losing

The King's Bed Don Jordan,2016-03-15 To refer to the private life of Charles II is to abuse the adjective His personal life was anything but private His amorous liaisons were largely conducted in royal palaces surrounded by friends courtiers and literally hundreds of servants and soldiers Gossip radiated throughout the kingdom Charles spent most of his wealth and his intellect on gaining and keeping the company of women from the lowest sections of society such as the actress Nell Gwyn to the aristocratic Louise de Krouaille Some of Charles women played their part in the affairs of state coloring the way the nation was run The authors take us inside Charles palace where we will meet court favorites amusing confidants advisors jockeying for political power mistresses past and present as well as key figures in his inner circle such as his pimpmasters and his personal pox doctor The astonishing private life of Charles II reveals much about the man he was and why he lived and ruled as he did *The King's Bed* tells the compelling story of a king ruled by his passion The Creation of the French Royal Mistress Tracy Adams,Christine Adams,2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men's equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies *Royal Mistresses of the House of Hanover-Windsor* Susanna de Vries,2018-10-01 The genuine love match between Prince William and Kate Middleton has rekindled enthusiasm for the British monarchy In the past young princes reluctantly entered into arranged marriages and took mistresses Perdita Robinson a famous actress was enticed from the stage with promises of money to live with the fickle Prince of Wales who turned her and her child onto the street Perdita fought back won a financial settlement and became a pioneer of women's writing Edward VII's most fascinating mistresses were aristocrats wives like

the multi talented unconventional Lady Jennie Churchill mother of Winston and the headstrong heiress Daisy Countess of Warwick mother of one of Edward s love children Beautiful Alice Keppel became the love of Edward s life and was the great grandmother of Camilla Duchess of Cornwall yet another royal mistress Edward s grandson Edward VIII suffered an attack of mumps that left him physically and mentally immature He implored Mrs Freda Dudley Ward to elope but she refused Another mistress Lady Thelma Furness star of Hollywood s silent screen introduced Edward to the domineering Wallis Simpson who insisted the impotent king seek psychiatric help In order that Wallis could look like a queen the Duke of Windsor lavished her with jewels and forgave her infidelities in this most intriguing of all royal stories **The King in Love** Theo Aronson,1988 Explains the background of Edward VII s involvements and offers profiles of Langtry Warwick Keppel and the King s wife

The Royal Mistresses of France; Or, the Secret History of the Amours of All the French Kings ... Made English from the French Original [entitled: “Galanteries Des Rois de France”]. Kings (France),1695 **The Mistresses of Henry VIII** Kelly Hart,2010-12-26 Seventeen year old Henry VIII was a youngling he cares for nothing but girls and hunting Over the years this didn t change much Henry was considered a demi god by his subjects so each woman he chose was someone who had managed to stand out in a crowd of stunning ladies Looking good was not enough indeed many of Henry s lovers were considered unattractive she had to have something extra special to keep the king s interest And Henry s women were every bit as intriguing as the man himself In this book Henry s mistresses are rescued from obscurity The sixteenth century was a time of profound changes in religion and society across Europe and some of Henry s lovers were at the forefront of influencing these events Kelly Hart gives an excellent insight into the love life of our most popular king and the twelve women who knew the man behind the mask
