first time     Intimate Creativity Irving Sarnoff, Suzanne Sarnoff, 2002-11-05 Integrating the psychology of love and creativity this pioneering book explores both how a couple's involvement as lovers influences their creative collaboration and how working together affects their relationship Representing a variety of genres painting sculpture photography and installation art the celebrated couples profiled here include among others Christo and Jeanne Claude Elizabeth Diller and Ricardo Scofidio and Kristin Jones and Andrew Ginzler Intrigued by this process of intimate creativity psychologists Irving and Suzanne Sarnoff themselves partners in love and work decided to conduct in depth interviews with partners in visual art because they defy the supremely individualistic tradition of their field Whatever their age or sexual orientation these artist couples combine their talents to form a collective identity as a professional team Passionately intense about their shared commitment they communicate endlessly to resolve conflicts and reach consensus Providing mutual validation and support they increase their productivity and the quality of their work they minimize their fear and frustration and enhance their pleasure in being together The authors also draw on historical and contemporary literature about similar couples ranging from Jean Arp and Sophie Taeuber to Gilbert and George to Claes Oldenburg and Coosje van Bruggen Stimulating and engaging this book highlights the features of a unique collaborative process considers the connection between creativity and sexuality and suggests possibilities for any couple to expand their intimacy     **Contemporary Art in the Conflicts of**

**Globalization** Jonathan Harris, 2025-11-26 Contemporary Art in the Conflicts of Globalization presents an authoritative introductory guide to the emergence development and meanings of contemporary art around the world from the era of twentieth century western colonialism to the crises and conflicts of globalization over the last three decades Examining contemporary art's connections to and breaks from modern art in the last century the study offers an innovative account of its artists' formation during the era of decolonization after 1945 and the Cold War Through a series of complementary analytic perspectives the book considers the cultural politics of the global art world its patterns of inclusion and exclusion and charts contemporary art's relations to feminist anti racist and climate change activism among others as these have both mutated and interconnected since the 1990s More than 50 illustrations are included and are the basis for the book's empirical and theoretically informed study The book is designed for both students and general readers and will be of great value for all who see contemporary art and global cultures as a contested ground of creativity and social significance within which transformative progressive change may be achieved for the whole world and all its peoples     **Embroidered Stories**

Edvige Giunta, Joseph Sciorra, 2014-07-29 For Italian immigrants and their descendants needlework represents a marker of identity a cultural touchstone as powerful as pasta and Neapolitan music Out of the artifacts of their memory and imagination Italian immigrants and their descendants used embroidering sewing knitting and crocheting to help define who they were and who they have become This book is an interdisciplinary collection of creative work by authors of Italian origin and academic essays The creative works from thirty seven contributors include memoir poetry and visual arts while the

collection as a whole explores a multitude of experiences about and approaches to needlework and immigration from a transnational perspective spanning the late nineteenth century to the late twentieth century At the center of the book over thirty illustrations represent Italian immigrant women s needlework The text reveals the many processes by which a simple object or even the memory of that object becomes something else through literary visual performance ethnographic or critical reimagining While primarily concerned with interpretations of needlework rather than the needlework itself the editors and contributors to Embroidered Stories remain mindful of its history and its associated cultural values which Italian immigrants brought with them to the United States Canada Australia and Argentina and passed on to their descendants

**The Civil Contract of Photography** Ariella Azoulay,2021-09-14 In this groundbreaking work Ariella Azoulay thoroughly revises our understanding of the ethical status of photography It must she insists be understood in its inseparability from the many catastrophes of recent history She argues that photography is a particular set of relations between individuals and the powers that govern them and at the same time a form of relations among equals that constrains that power Anyone even a stateless person who addresses others through photographs or occupies the position of a photograph s addressee is or can become a member of the citizenry of photography The crucial arguments of the book concern two groups that have been rendered invisible by their state of exception the Palestinian noncitizens of Israel and women in Western societies Azoulay s leading question is Under what legal political or cultural conditions does it become possible to see and show disaster that befalls those with flawed citizenship in a state of exception The Civil Contract of Photography is an essential work for anyone seeking to understand the disasters of recent history and the consequences of how they and their victims are represented
