**The Lady of North Star** Ottwell J. Binns, 2015-04-21 Example in this ebook CHAPTER I THE END OF A TRAIL There was a smell of burning spruce in the sharp air and Corporal Bracknell of the North west Mounted Police threw back his head and sniffed it gratefully His team of dogs had been conscious of it for some time and now quickening the pace they broke into joyous yelps as they turned inward towards the Saskatoon bushes on the left bank of

the frozen river The corporal smiled to himself They re wise dogs he muttered but not wise enough to know the trail s end I wonder if I shall find the man here He followed the well marked track towards the bank The aromatic smell of the spruce grew stronger but there was nothing to be seen save the shadowy woods and the packed sled road between The road had been cut through the trees and here and there a stump bearing the mark of the ax protruded above the snow For perhaps three hundred yards it ran in a bee line between the tall trunks and then turned abruptly to the right He reached the turning and looked about him curiously The road still continued but the end of it was not in sight for again it turned as it seemed to him into the very heart of the forest There s a house or encampment somewhere about he said to himself but He broke off abruptly as something caught his eye It was a new marked sled trail debouching from the main track and he stooped to examine it carefully When he straightened himself there was an eager light in his eye and curbing his impatient dogs he stood considering for a full two minutes He may have a shack here so his thoughts ran but if there s more than that why this broad road He considered the avenue made by the sombre pinewoods on each side of the road and then shook his head Too much style for Koon Dick There must be a homestead somewhere about but if those are not the marks of his sled runners I m a dutchman He spoke a word or two to his well trained dogs and slipping off his snowshoes turned towards the trail which led into the wood and began to follow it carefully As he walked he unbuttoned the pistol holster at his waist and gripped the handle of the weapon in preparation for action The man whose trail he believed that he was following was not given to being over scrupulous He had pursued him for nearly four hundred miles and now that the end of the chase was in sight it behoved him to be cautious for if Koon Dick suspected his presence his resentment of it might even go to the extreme length of a rifle bullet He left the trail and began to move cautiously from tree to tree The short Northland day was almost over Dusk was coming on apace and the gloom under the trees deepened little misgivings awake in his mind Was it wise to follow the track into the heart of the wood His dogs were good dogs but The sudden sharp crash of a rifle echoed through the stillness followed immediately by a second and that by the sharp cry of a woman assailed by mortal terror and then there came the quick yelp of dogs He turned in his tracks and began to run back under the trees How long it was before he reached the main trail he never knew but never in his life had he run so fast before Fear was pounding at his heart His dogs If they were gone He reached the edge of the wood to find them still where he had left them and his relief found expression in a quick Thank God He looked round him up and down the road and into the dark woods on either hand There was nothing to be seen and the coming of night had already shortened the range of vision He stood listening intently No sound broke the awful silence that had followed the shots and the curdling cry of fear His hand resting on the gee pole of the sled shook a little To be continue in this ebook     [The Lady of the Lakewood Diner](#) Anne R. Smart, funny women's fiction for the Woodstock Generation. Said the Lady with the Blue Hair Lisa M. Wilber and Jeff C. West, 2022-10-16 Kai Frazier is a mother raising her ten-year-old daughter Michaela alone. Happily married for over ten years, never dreaming she would have to build a new life for the two of them, she now faces difficult and unwanted decisions. On a beach in Hawaii, she encounters Belle, the lady with the blue hair, a most unusual woman. A friendship develops between the two, and Kai's new mentor guides her as she embarks on her journey into the future. The characters are lovable, realistic, and entertaining. The fiction is at times poignant, at times humorous, and always engaging. And the message contained in *Said the Lady with the Blue Hair* will help anyone become more successful in their business career and life. **Women's Employment**, 1925 *The Lady Tasting Tea* David Salsburg, 2001-04 Discusses how statistics have changed the field of science in the twentieth century, focusing on the theories and ideas of famous scientists and thinkers. *The Lady Boba: A Woman of Little Sense* Lope De Vega, 2013-09-01 Nise and Finea are famous beauties. Their father, Don Octavio, a wealthy businessman, is doing his best to marry them off, and an exotic collection of determined young suitors are competing for the prizes. The sticking point: Nise, the elder sister, is too clever for her own good, whilst younger sister Finea is notoriously stupid. Can the family hide Finea's shortcomings long enough to hoodwink a suitor into marriage? Surely the combination of a dancing master and a huge dowry will do the trick. The ploy is more successful than anyone might have anticipated. *A Woman of Little Sense* is a big-hearted and hilarious romantic comedy which celebrates the power of love. *The Lady in Blue* Fred M. White, 2021-11-09 In *The Lady in Blue*, Fred M. White weaves a captivating tale of intrigue and romance set against the backdrop of early 20th-century England. The novel is notable for its striking prose and detailed characterizations, showcasing White's ability to blend suspense with lyrical descriptions. This work is emblematic of the era's fascination with the Gothic and the mysterious, incorporating themes of identity and deception that resonate throughout the narrative. With skillful shifts between engaging dialogue and vivid imagery, White immerses readers in a world where secrets abound and the truth is as elusive as the enigmatic titular character. Fred M. White, a prolific author of detective and romantic fiction during the late Victorian and Edwardian periods, drew upon his rich experiences in journalism and theater to craft compelling narratives. His keen understanding of human psychology and societal norms of the time informs the intricate stories he tells. *The Lady in Blue* reflects White's keen interest in the complexities of love, trust, and betrayal, experiences likely influenced by the social dynamics in his own life. This book is highly recommended for readers who appreciate classic literature infused with mystery and romance. White's masterful storytelling and character development make *The Lady in Blue* a timeless read, inviting audiences to uncover the layers of intrigue within its pages while reexamining the nature of love and fidelity in their own lives. The Lady of Appleby, The Lady and the Dragon Loren Henry Wilson, 2011-02-19 What is your opinion about the meaning of Bible prophecy? Is the book of Revelation a

prophecy about the future of this earth that is still yet to come or is it prophecy that has mostly already been fulfilled through this passing Christian Age Christians living in our world today are familiar with the many futuristic interpretations of the prophetic books of the Bible that have been offered to us by the publishing industry especially some of the wild and radical interpretations of the Book of Revelation There are rivers turning to blood stars falling to the earth a last chance to go to heaven theology and on and on it goes Every few years as the passing history of our world takes new turns these predictions that are supposedly based upon Bible prophecy have to be revised again and again to make them suit the changing world scene This means that there were some wrong interpretations somewhere along the line But there is a better way Before the middle of the 20th century when futurism developed such an amazing acceptance into the Christian community there was another method of interpretation that was very prominent called historicist This simply means that the Book of Revelation is really prophecy about events that have been happening for about 2 000 years now and that agree in description and in timely order with the chapters of Revelation The same is true with much of the Book of Daniel Loren Wilson with his academic background in history and his preaching experience as a pastor has updated the writings of the old historicist Bible commentators by including events of the 20th and 21st centuries into the mix The results may change your perspective of what Daniel and Revelation is all about
