S. Lewis and the Crisis of a Christian** Gregory S. Cootsona,2014-09-26 C S Lewis has long been recognized as a beloved author of children s literature and an apologist for Christian belief to a skeptical modern world In this new volume Gregory S Cootsona shows us how Lewis can also serve as a guide to the ups and downs of the Christian journey Like many of us Lewis suffered from a variety of crises of faith and personal experience Like us he came to faith in a world that no longer respects Christian commitment or offers much room for belief in God Like us he felt the absence of God when those closest to him died Like us he wrestled with doubt wondering if God is real or simply the projection of his own wishes onto the screen of the universe Like us he knew the kinds of temptations he described with such poignancy and humor in *The Screwtape Letters* By examining these and the other crises of C S Lewis s life Cootsona shows us how Lewis found God in each one and how he shared those discoveries with us in his writing All those wishing to deepen and enrich their own spiritual journey will find much guidance and wisdom in these pages      *HSA Heritage Auctions Rare Books Auction Catalog #6030* James Gannon,2009-09      *A Pastor's Highways on the Way to the New Jerusalem* Arthur Jarrell Tankersley,2021-10-29 David Brooks wrote in *The Second Mountain* A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God s story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan s Christ s invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands      **The Gospel in the Dock** Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while

we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways     The Pilgrim's Guide David Mills,1999 Published in the centenary year of Lewis s birth The Pilgrim s Guide offers a study of Lewis s witness to the truth of Christianity especially in his works of fiction and popular apologetics Written by nineteen leading Lewis scholars and authors these essays examine Lewis s character and the way he engaged the challenges of the Christian mind vision imagination and understanding in the twentieth century The studies range from discussions of specific Lewis works to critical interpretations of Lewis s most important theological themes Also included is a guide to the best books and other resources on Lewis a timeline that places Lewis s life in the context of history and a note on the source for Lewis s use of the phrase mere Christianity Contributors Harry Blamires Stratford Caldecott Colin Duriez Bruce Edwards Leslie Fairfield Sheridan Gilley Diana Pavlac Glycer Kendall Harmon Thomas Howard Michael Macdonald David Mills Christopher Mitchell Doris T Myers James Patrick Thomas Peters Jerry Root Mark Shea Stephen Smith Kallistos Ware Highly recommended for general readers and all academic levels Choice     Heaven Tours Rita Bennett,2009     **The Book of Heaven** Carol Zaleski,Philip Zaleski,2000 This rich anthology of writings about heaven spans the millennia as well as the globe the sacred chants of the Buddhist Pure Land sutras reverberate alongside John Donne s holy sonnets and Shaker songs complement Jewish mystical hymns 10 illustrations     Beyond the Shadowlands (Foreword by Walter Hooper) Wayne Martindale,2007-05-01 Those who know Lewis s work will enjoy Martindale s thorough examination of the powerful images of Heaven and Hell found in Lewis s fiction and all readers can appreciate Martindale s scholarly yet accessible tone Read this book and you will see afresh the wonder of what lies beyond the Shadowlands     **The Everything Guide to C.S. *Imagination and the Arts in C. S. Lewis* Peter J. Schakel,2011 Imagination has long been regarded as central to C S Lewis s life and to his creative and critical works but this is the first study to provide a thorough analysis of his theory of imagination including the different ways he used the word and how those uses relate to each other Peter Schakel begins by concentrating on the way reading or engaging with the other arts is an imaginative activity He focuses on three books in which imagination is the central theme Surprised by Joy An Experiment in Criticism and The Discarded Image and shows the important role of imagination in Lewis s theory of education He then examines imagination and reading in Lewis s fiction concentrating specifically on the Chronicles of Narnia the most imaginative of his works He looks at how the imaginative experience of reading the Chronicles is affected by the physical texture of the books the illustrations revisions of the texts the order in which the books are read and their narrative voice the storyteller who becomes almost a character in the stories Imagination and the Arts in C S Lewis also explores Lewis s ideas about imagination in the nonliterary arts Although Lewis regarded engagement with the arts as essential to a well rounded and satisfying life critics of his work and even biographers have given little attention to this aspect of his life Schakel reviews the place of music dance art and architecture in Lewis s life the ways in which he uses them as content in his poems and stories and how he develops some of the deepest most significant themes of his stories through them Schakel concludes by analyzing the uses and abuses of imagination He looks first at moral imagination Although Lewis did not use this term Schakel shows how Lewis developed the concept in That Hideous Strength and The Abolition of Man long before it became popularized in the 1980s and 1990s While readers often concentrate on the Christian dimension of Lewis s works equally or more important to him was their moral dimension Imagination and the Arts in C S Lewis will appeal to students and teachers of both children s literature and twentieth century British writers It will also be of value to readers who wish to compare Lewis s creations with more recent imaginative works such as the Harry Potter series
