theological basis for what they do and that requires serious thinking about the methodology of church life The Last Disciple is a book for those interested not simply in doing church but in asking hard questions about why we do what we do Answers to these hard questions are the very basis of the foundation of the local church s existence Rather than simply attracting a crowd have you evaluated why your church does church Have you ever felt that your church tradition has lost the meaning behind its existence What would it look like if you recaptured your church s meaning Is it possible to do this while bridging the relevancy gap of common culture There will be different answers for different contexts but this book will give you tools for thinking it through by asking the right questions

The Last Temple Hank Hanegraaff,Sigmund Brouwer,2012-07-20 Set in the turbulent years just before one of the most horrendous events in Jewish history The Last Temple concludes the trilogy of The Last Disciple and The Last Sacrifice Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life But he can t avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it *The Last Word* Jean McCurdy Meade,2025-09-11 What is the last book of the Bible all about Is Revelation a series of visions about the end times that few people can understand or is it a work of encouragement for all Christians in every time to endure even hardship and suffering for the sake of their faith strengthened by this vision of

heaven with Christ on the throne with his Father where sorrow and pain will be no more Revelation deals forthrightly and dramatically with the reality of evil in God's good creation but the message is that God has conquered the forces of evil through his son Jesus the Lamb of God who was sacrificed for us In the end God wins and the end is coming soon but in God's time not ours Countless songs and hymns of the church have been inspired by this book but also John's visions have inspired artists to try to capture their teaching in visual form as in the wonderful fourteenth century tapestries of the Apocalypse in Angers France Their illustrations of the text give us insight into how Christians in every generation find hope and faith in its message

Leonardo Da Vinci, the Last Supper Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies The Last Supper has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations The philosopher Rudolf Steiner called The Last Supper the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world
