Martin Luther King Jr., Heroism, and African American Literature Trudier Harris,2014-11-15 Defiance of the law uses of indirection moral lapses and bad habits are as much a part of the folk transmitted biography of King as they are a part of writers depictions of him in literary texts Harris first demonstrates that during the Black Arts Movement of the 1960s when writers such as Nikki Giovanni Sonia Sanchez and LeRoi Jones Amiri Baraka were rising stars in African American poetry King s philosophy of nonviolence was out of step with prevailing notions of militancy Black Power and their literature reflected that division In the quieter times of the 1970s and 1980s and into the twenty first century however treatments of King and his philosophy in African American literature changed Writers who initially rejected him and nonviolence became ardent admirers and boosters particularly in
