## **Sir Henry Pellatt:**

*Casa Loma* Bill Freeman, 2014-06-24 This beautifully illustrated book tells the story of Casa Loma Toronto's most famous historic site and its owner Sir Henry Pellatt. Casa Loma took 300 men three years to build at a cost of 3.5 million. Completed in 1914, the castle was enjoyed by Pellatt for only ten years before bankruptcy took it from his hands. Today Casa Loma is owned and operated by the City of Toronto. This book includes a visual tour of the building as it is today, restored to its turn of the century splendour. As well, author and historian Bill Freeman tells the colourful story of Pellatt's life, accompanied by a rich variety of archival images. Pellatt was an entrepreneurial and domineering Toronto financier with a central role in the city's financial life at the turn of the century. He lost his fortune and ended his days in very modest circumstances, but he left the city a dramatic landmark building. Author Bill Freeman takes readers on a full tour of this dramatic hillside castle, illustrated with full colour photographs by Vincenzo Pietropaolo. *Sir Henry Pellatt, the King of Casa Loma* Charlie

Oreskovich, 1980-10-01 The Rough Guide to Toronto Phil Lee, Helen Lovekin, Rough Guides (Firm), 2003 This guide to Toronto provides complete coverage of Canada's most diverse city. The guide opens with a colour introduction to the city's highlights, with photographs of attractions and sights from the CN Tower to Union Station. The guide reveals each of the city's many distinct neighbourhoods and the tranquil Toronto islands. There are discriminating reviews of the best places to eat, drink and stay, plus coverage of the arts scene with features on Toronto's literary and theatre heritage. There is also extensive coverage given to day trips from the city, including Niagara Falls and the Severn Sound. Sir Henry Pellatt Charlie

Oreskovitch, 1980 **Road to Marylake, The** Kelly Rachelle Mathews, 2017 In the early 1900s a gentleman and financier named Sir Henry Mill Pellatt, builder of the famous Casa Loma in Toronto, started to piece together several farms, 1,214 acres, to create what he called Lake or Lac Marie Farm Country Estate. The name Marie was to honor his first wife, Lady Mary Pellatt, nee Dodgson. Designed to be a place of respite for high society, hunt events and highballs on the verandah, in 1911-1935 this land came into the ownership of a group of Basilian leaders who took this site of social indulgence and converted it into Marylake Agricultural School and Farm Settlement Association, now 814 acres. On August 25, 1942, the Agricultural School sold to the Augustinian Father of Ontario Inc. and as such Marylake Monastery Retreat House and site of Pilgrimage was born.

Reeve, Michael Windover, 2023-09-01 Leading architect E.J. Lennox designed Casa Loma for the flamboyant Sir Henry Pellatt and Mary Lady Pellatt as an enormous castellated mansion that overlooked the booming metropolis of Toronto. The first

scholarly book dedicated to this Canadian landmark Casa Loma situates the famous house on the hill within Toronto's architectural urban and cultural history Casa Loma was not only an outsized home for the self-appointed Lord Toronto but a statement of Canada's association with empire an assertion of the country's British legacy During and after the Pellatts occupation Casa Loma was a major landmark and it has since infiltrated the iconography and collective memory of the metropolis The reception of Casa Loma variously loved and abhorred by Torontonians reflects many of Toronto's major aspirations and anxieties about itself as a modern city Across ten chapters this book charts the history of Casa Loma from the purchase of the estate atop Davenport Ridge in 1903 and its construction from 1906 through to its sale and the dispersal of its contents in 1924 its subsequent life as a hotel and finally its transformation into one of the city's major entertainment venues Casa Loma brings to light a wealth of hitherto unpublished archival images and documentation of the house's visual and material culture weaving together a textured account of the design use and life of this unique building over the course of the twentieth century
