

A portrait of Elton John from the chest up. He is wearing a black leather jacket with red piping along the collar and shoulders, over a white t-shirt. He is also wearing a black flat cap with a red band. His hands are clasped together in front of him, near the zipper of his jacket. He has a serious expression and is looking directly at the camera. The background is a textured, reddish-brown surface.

Elton David Buckley,2007 One of music s true global superstars and most admired figures Elton John has sold an estimated 200 million albums worldwide to date and continues to appear regularly in the singles charts thanks largely to a series of high profile collaborations with new faces But he is loved as much for his outrageous personality and witty outspokenness as for his music recent memorable outbursts have included a public comment that people who charge 75 and lip sync should be shot and calling some pushy photographers rude vile pigs He has even admitted that in one of his more comedic cocaine fueled moments he phoned one of his management team to tell him to do something about the wind outside my hotel room Such shamelessness and sheer silliness rivals anything uttered by punk rockers yet it is so typically Elton honest and wittily intemperate Tragedy and heartbreak have played a large part in his life too Behind the parties the hedonism the lavish stage costumes and silly glasses lies a more somber story There have been disputes with managers legal wranglings splits with partners and a divorce Added to that there have been serious health problems a very public battle with his expanding waistline and receding hairline drug addictions and spells when he wanted to quit the music business altogether But now at 60 years old Elton enjoys a stable relationship with his husband David Furnish His demons have been overcome His commercial and critical stock is rising With popular acts like the Scissor Sisters sounding more like Elton than Elton himself Elton John is finally cool again Drawing on many firsthand interviews with his associates and musical collaborators this page turning story of high drama and prodigious talent traces Elton s astonishing journey through life as the colossus of camp while also offering a critical history of his work and analyzing afresh his contribution to popular music

The Great British Dream Factory Dominic Sandbrook, 2015-10-01 SPECTATOR BOOKS OF THE YEAR 2015 Britain's empire has gone. Our manufacturing base is a shadow of its former self; the Royal Navy has been reduced to a skeleton. In military, diplomatic and economic terms we no longer matter as we once did. And yet there is still one area in which we can legitimately claim superpower status: our popular culture. It is extraordinary to think that one British writer, J. K. Rowling, has sold more than 400 million books; that Doctor Who is watched in almost every developed country in the world; that James Bond has been the central character in the longest running film series in history; that The Lord of the Rings is the second best selling novel ever written, behind only A Tale of Two Cities; that the Beatles are still the best selling musical group of all time; and that only Shakespeare and the Bible have sold more books than Agatha Christie. To put it simply, no country on earth, relative to its size, has contributed more to the modern imagination. This is a book about the success and the meaning of Britain's modern popular culture, from Bond and the Beatles to heavy metal and Coronation Street, from the Angry Young Men to Harry Potter, from Damien Hirst to The X Factor.

Bohemian Rhapsody Lesley-Ann Jones, 2011-10-13 Exactly the sort of tribute Mercury himself would have wanted. SPECTATOR No one has captured better than Lesley Ann Jones the magical, enchanting dualism of Freddie Mercury. THE TIMES Truly definitive, truly Freddie: an energetic, entertaining and essential account. SIR TIM RICE This book grabs you with its opening, then builds insight and anecdote in perfect harmony. SIMON NAPIER BELL At last, a massive tribute to a massive talent. STEVE HARLEY COCKNEY REBEL This is the definitive biography of Freddie Mercury. Written by an award-winning rock journalist, Lesley Ann Jones toured widely with Queen, forming lasting friendships with the band. Now having secured access to the remaining band members and those who were closest to Freddie from childhood to death, Lesley Ann has written the most in-depth account of one of music's best-loved and most complex figures. Meticulously researched, sympathetic, unsensational, the book will focus on the period in the 1980s when Queen began to fragment, before their Live Aid performance put them back in the frame. In her journey to understand the man behind the legend, Lesley Ann Jones has travelled from London to Zanzibar to India. Packed with exclusive interviews and told with the invaluable perspective that the twenty years since Mercury's death presents, Freddie Mercury is the most up-to-date portrait of a legendary man.

House of Versace Deborah Ball, 2011-01-04 Versace. The very name conjures up images of outrageous glamour and bold sexuality, opulence and daring. All of course true, but only half the story. Versace is also the legacy of a great creative genius, from a poor, backward part of southern Italy, who transformed the fashion world through his intuitive understanding of both women and how a changing culture influenced the way they wanted to dress. The first book in English about the legendary designer, House of Versace shows how Gianni Versace, with his flamboyant sister Donatella at his side, combined his virtuosic talent and extraordinary ambition to almost single-handedly create the celebrity culture we take for granted today. Gianni Versace was at the height of his creative powers when he was murdered in Miami Beach. The story was

front page news around the world and the manhunt for his killer a media obsession His beloved sister Donatella demanded no less than a funeral befitting an assassinated head of state to be held in Milan's magnificent cathedral In what was the ultimate fashion show the world's rich and beautiful Princess Dianna Elton John Carla Bruni Naomi Campbell Carolyn Bessette Kennedy Anna Wintour and others gathered to mourn a man already considered one of fashion's great pioneers Deborah Ball a long time Milan correspondent for The Wall Street Journal conducted hundreds of interviews with Versace family members Gianni Versace's lovers and business rivals models such as Naomi Campbell whom he helped shoot to international stardom and fashion industry icons including Anna Wintour the legendary editor of Vogue Ball vividly recounts the behind the scenes struggles both creative and business of Donatella as she stepped out of her brother's long shadow and took control of the House of Versace The book offers the first inside look at the enormous challenges Donatella faced in living up to Gianni's genius her struggle with a drug habit her battles with her brother Santo and the mystery of why Gianni left control of his house to Donatella's young daughter Allegra House of Versace is a compelling highly readable tale of rise from obscurity a painful fall and ultimate redemption as the Versace empire returned to health for now Bringing together fashion celebrity business drama jet set lifestyles and a notorious crime House of Versace is an old fashioned page turner about a subject of enduring fascination
