Henderson, 2013-05-02 Stanley Matthews taught us the way football should be played Pel I couldn't believe he was just a man He was the best player in the world Bobby Charlton He told me that he used to play for just twenty pounds a week Today he would be worth all the money in the Bank of England Gianfranco Zola Stanley Matthews is one of the most famous footballers ever to play the beautiful game Nicknamed The Wizard of Dribble for his deadly skills he made fools of defenders around the world He played 84 matches for England in a career that spanned an extraordinary 33 years and such was his popularity that attendance for his club teams Stoke City and Blackpool more than doubled when he played He was a global superstar decades before Beckham Ronaldo or Messi yet what do we really know about this legendary man This first full and objective biography looks beyond the public face of the first gentleman of soccer to explore a life not without controversy This was a player who clashed with his managers who felt undervalued in the age of the maximum wage leading to a charge of blackmarketeering and who was criticised for his showmanship and perceived lack of team spirit There were private dramas too an unhappy first marriage that produced two beloved children and a second to the love of his life a Czech with a dark secret even Matthews never knew and which acclaimed biographer Jon Henderson reveals for the first time Recreating the magic on the pitch and analyzing the key moments that made Matthews great this is a meticulously researched story of a national hero and a fascinating insight into English football in the 20th century *George Best - A Celebration: Untold True Stories of Our Most Legendary Footballer* Bernie Smith & Maureen Hunt, 2008-09-01 George Best was one of the greatest footballers ever to have walked the Earth an absolute legend His ability as an all round player was and still is unsurpassed He was highly skilful a tough tackler and great in the air As well as being an exceptionally gifted sportsman George also had a unique gift when it came to people His open and friendly nature meant that others were naturally drawn to him and he always had time to get to know anyone and everyone Perhaps because of this George Best reached so many people As well as the legions of football fans who watched awestruck as he played he also touched the hearts of everyone with whom he came in contact on a day to day basis from club managers to the groundsmen at Old Trafford Bestie had time for them all it seems that almost everyone has a story to tell about him Bernie Smith is an avid collector of everything to do with the late great man and Maureen Hunt worked in the newspaper industry for over twenty years From banknotes to team photographs to signed shirts and even underwear there is not much out there relating to George that they don't know about or possess While gathering memorabilia they discovered that almost every keepsake souvenir or trophy has a humorous heart warming or poignant story attached to it Piecing together these gems of history they have compiled a fitting tribute to a genuine icon Take for example the incredible journey of the pair of limited edition George Best boots that ended up on a stall at Brick Lane market in London to eventually become the treasured possession of a man who idolised him or the boy whose house backed

onto the United training ground and who would jump over the fence to stand at the back of the nets to watch the Best magic and act as a ball boy when necessary or even a gold thong signed by George himself that was bought at auction and left in a drawer until now Packed with anecdotes and rare photographs this delightful book will be a welcome addition to any Best fan's collection and is a wonderful way to commemorate the man who was both hero and friend to so many people The genius of George Best on the football field is well documented as is the celebrity lifestyle which such genius often attracts This book gives an insight into the much less well known human side of his life and the many unsung acts of kindness which were so typical and which endeared him to everyone who was fortunate enough to know or meet him I count myself privileged to be amongst that number Doug Ellis President Emeritus Aston Villa Football Club George Best was a fine fellow to share company with off the football field It doesn't surprise me that the stories in this book celebrate the real side of George George had a snooker table in his house and he loved to play the game He was one of the nicest people you would ever wish to meet with a great sense of humour Dennis Taylor 1985 Embassy World Snooker Champion and fellow Belfast boy Besite can only be described in one word fantastic Ron Chopper Harris
