*As it is in Heaven* Arlene Hutton, 2003 THE STORY A religious community is changed when a non believer has an ecstatic experience The 1830 s Shaker society of Pleasant Hill Kentucky is set in ordered ways Their once dramatic form of worship has by now developed into routine The arr **Sisters of Mercy Flats** Lori Copeland, 2013-06-01 From noted author Lori Copeland more than 3 million books in print comes a romantic new story of God s faithfulness when hope seems lost The three wily and beautiful McDougal sisters can swindle a man faster than it takes to lasso a calf But their luck is running out and they re about to be hauled off to jail When the wagon carrying them falls under attack each sister is picked up by a different man Unfortunately for Abigail she s grabbed by a twit of a shoe salesman Mr Hershall Digman She steals his horse and rides off to the nearest town not giving him another thought until she discovers those secret papers in his saddlebags Could Mr Digman be a Confederate spy As if to prove it the man who comes storming after her is no shoe salesman but a handsome captain who wants his papers back at any cost And Abigail wants a ride back home Together they embark on his mission determined not to trust each other or the God who won t seem to let them go Immaculate Heart of Mary Sisters of Michigan Patricia Montemurri, 2020 Since 1845 along the River Raisin in the southeastern Michigan town of Monroe the Sisters Servants of the Immaculate Heart of Mary IHM have distinguished themselves as educators activists and Catholic pioneers At the congregation s peak the motherhouse dispatched nearly 1 600 nuns to more than 100 schools across metropolitan Detroit and several states For 175 years the sisters taught the three Rs and the meaning of faith to nearly 700 000 students and established important metro Detroit institutions such as Marygrove College Immaculata and Marian High Schools and St Mary Academy Widely known by their initials the IHMs have extended their reach worldwide Monroe IHM members have served in key roles at the Vatican as leaders of organizations representing Catholic sisters in the United States as missionaries in Third World countries and as groundbreaking activists and theologians The Monroe IHMs today also attract lay women and men who dedicate themselves to the congregation s values and goals by becoming IHM Associates **Having People, Having Heart** China Scherz, 2014-07-04 This study of charity in Uganda challenges current international development norms and standards as refusals to redistribute wealth Washington Post Believing that charity inadvertently legitimates social inequality and fosters dependence many international development organizations have increasingly sought to replace material aid with efforts to build self reliance and local institutions But in some cultures like those in rural Uganda where Having People Having Heart takes place people see this shift not as an effort toward empowerment but as a suspect refusal to redistribute wealth Exploring this conflict China Scherz balances the negative assessments of charity that have led to this shift with the viewpoints of those who actually receive aid Through detailed studies of two different orphan support organizations in Uganda Scherz shows how many Ugandans view material forms of Catholic charity as deeply intertwined with their own ethics of care and exchange With a detailed examination of this

overlooked relationship in hand she reassesses the generally assumed paradox of material aid as both promising independence and preventing it The result is a sophisticated demonstration of the powerful role that anthropological concepts of exchange value personhood and religion play in the politics of international aid and development At once ethnographically complex and exceptionally well argued Scherz offers the kind of analysis of the politics and morality of aid in the contemporary world that reminds us why anthropology remains a crucial discipline going forward Joel Robbins University of Cambridge A radical revaluation of the term dependence Books Culture *Fear in North Carolina* Cornelia Catherine Smith Henry, 2008 Cornelia Henrys three journals written between 1860 and 1868 offer an excellent source for daily information on western North Carolina during the Civil War period *Opportunity*, 1932 *Congressional Record* United States.
